In recent years Las Vegas has become a Broadway of sorts, importing Tony award winning shows from New York, Chicago, LA and the rest of the world. These shows now provide entertainment for millions of visitors. As well as the glamour and Glitter, shopping in Las Vegas is fantastic and great value.

This tour will take you aboard a Vistaliner airplane giving you the Canyon's celebrated scenery - Lake Mead, the Hoover Dam, and the West Rim - and then drop you in the middle of the Hualapai Nation. Upon arrival at the terminal, the area shuttle service takes you to the Indian Village, which consists of five small exhibits depicting not only the Hualapai Tribe, but three other Arizona tribes and their authentic hand-constructed dwellings. We then venture over to the amazing Grand Canyon Skywalk. Suspended more than 4,000 feet above the Colorado River on the very edge of the Grand Canyon is one of the world's most amazing structures. Skywalk is a glass bridge that enables visitors to walk beyond the canyon walls, becoming surrounded by the beauty of the Grand Canyon while standing at the edge of the glass bridge.
