Fred. Olsen Cruise Lines
It's all about the people

Enjoy The Fred Olsen Experience in 2011!

The great advantage of Fred Olsen's intimate style of cruising and more human scale ships is that they really get to know their guests and what they want from a cruise – and importantly, what they enjoy most about the Fred. Olsen cruise experience.

This means they continually hone their cruises so that the product is absolutely right. This goes for our ships too. Whilst many may see Fred Olsen as traditional in style, they are far from old fashioned.

The emphasis on-Board is relaxed, and the ships have been designed to give guests their own private place to soak up the sun and marvel at the views. And wherever guests go on-board, they have created a light and airy ambience, with large picture windows in the lounges, restaurants and bars. When it comes to dining – a vital ingredient for a successful cruise – Fred Olsen believe that they have the balance just right. Guests can relax and enjoy meals and snacks alfresco on deck. And for more formal affairs, they can select from the newly improved a la carte menus in the stylish restaurants.

There's plenty to do on-board: traditional activities like pools, or laze in a Jacuzzi with a refreshing fruit smoothie. Active guests can enjoy a work out in the gym followed perhaps by the sheer indulgence of a luxurious spa treatment. And as day turns to night, there's a venue to match every mood. A choice of entertainment throughout the ships. Classical string trios, pianists, singers, cabaret acts and glittering shows bring the evening alive. The choice is varied and extensive for guests to enjoy as they choose.

So whichever Fred. Olsen ship you choose to sail on and wherever the adventure takes you; you know you will be enjoying the freshness of a modern ship, with the friendly personal service and feeling of warm camaraderie that brings Fred. Olsen guests back again and again.

Look out for our special Extras such as Free Spending money and a choice of Free Car Parking at the port or Free regional coach transfers, look for the symbols:
