## WE INVENTED THE WORLD CRUISE....

In 1922, a Cunard ocean liner circled the globe for the first time, bringing guests to the world's most exotic destinations. Celebrate the 90th anniversary of this elegant tradition on two of The Most Famous Ocean Liners in the World, **Queen Mary 2** and **Queen Elizabeth**.

### QUEEN ELIZABETH

Sets out on her second global adventure in 2012 roundtrip from Southampton touching shore 40 times during her 107-night odyssey.

#### Highlights:

- 107-day circumnavigation of the globe
- Overnights in Sydney & Hong Kong
- Visits to Far East ports including Ho Chi Minh, Bangkok, Singapore and Penang.

### QUEEN MARY 2

The grandest ocean liner at sea, will sail around the world roundtrip from Southampton to exciting destinations that inspire the imagination.

#### Highlights:

- First ever circumnavigation of Australia
- Opportunity to sail out and back to Australia, spend three weeks in Australia, then sail home to Southampton.
- Overnight stays in Hong Kong, Dubai and two-night stay in Cape Town
- Maiden call to Hiroshima, Japan

Be part of the Cunard experience, with either the whole voyage or just one of the fabulous sectors. The world awaits, and Cunard can take you there in style.
