The diagram shows a large, irregularly shaped building labeled "Medical Center". It has a complex footprint with several protrusions and indentations. To the left of the main building is a smaller, rectangular structure. Below the main building, there are four smaller rectangular structures arranged in a 2x2 grid, each labeled "L100". At the very bottom of the diagram is a large, rectangular area with a grid pattern, representing a parking lot or a large open space.
