SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, please note, it is within our right to deem a price of our competitor “not sensible”, i.e. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than costs.

FLUID PRICING IN THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. This way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our Reservations Team on **020 8340 7612**, or visit our website **www.cyplon.co.uk**.

INFORMATION ON ISRAEL

THINGS TO SEE & DO

There is quite possibly too much to do in Israel. This is why we would recommend to anyone travelling to Israel to visit more than one place. Israel's rich diversity makes this destination ideal for a tailor-made, multi-centre holiday. Here at Cyplon Holidays, our expertise and knowledge can help you get the most out of your time in Israel. Starting with the historical and religious sites, most of which are concentrated in and around Jerusalem. There is the Western Wall, the Dome of the Rock, Al Aqsa Mosque, Church of the Holy Sepulchre, Mount Zion and Mount of Olives. It is highly recommended that a stay in Jerusalem is accompanied by guided tours and excursions so that the importance of the places you visit is fully appreciated.

ISRAELI CUISINE

Due to settlers coming to Israel from all over the world, Israeli food is an eclectic mix of various food ideologies fused with Middle Eastern flair. Quality is the name of the game, and the fresh produce grown in Israel is some of the best in the world. Despite originating in Egypt, falafel has been perfected in Israel and can be found on almost every street corner. Other Middle Eastern inspired food that has been perfected in Israel include hummus, shwarma and shakshooka which is a concoction of tomatoes, onions, garlic, as well as crucial spices such as sweet paprika that is then topped off with a poached egg and soaked up by bread. For the best and cheapest way to experience this cuisine, visit the many food stalls dotted along the main street.

WEATHER IN ISRAEL

Given Israel's geographic location, the north and western coastal regions experience a Mediterranean climate, characterised by hot dry summers with highs of around 30°C and cooler winters with the possibility of some rainfall, mainly between December and February. The eastern and southern regions experience a more arid, typically Middle-Eastern climate, with very hot summers with temperatures reaching around 40°C and warm winters of around 20°C where any rainfall is negligible.

WINE TASTING IN ISRAEL

Israel has only in the last 20 years been making a name for itself in the wine world despite the region having made wine since biblical times. Quality wines produced in the Golan Heights region as well as Galilee and the Judean Hills. There are now over 300 wineries in Israel producing both Kosher and non-Kosher wine varieties. Israel is also renowned for its premium citrus fruit, so the freshly squeezed orange juices are a must have.

ISRAEL EXCURSIONS

Israel is a treasure trove of experiences just waiting to be discovered. Arguably, the best way to fully immerse yourself in the country's wonders is to take one of Cyplon Holidays' carefully crafted guided tours that are detailed in the following pages. However, if you are short of time or simply do not fancy touring the country for a week, then one of our excursions, ranging from half and full-day tours, is an ideal way to have a condensed and more focused experience. The choice of excursions are extensive, but here are some of the most popular choices to give you an idea.

RESORTS IN ISRAEL

Overleaf you will find a brief introduction to the resorts that are featured in our brochure. Given that Israel offers such diversity and that such a variety of experiences can be had in this fascinating ancient land, it is little wonder that the vast majority of our clients do not remain in one part of the country for the duration of their stay in Israel, but they wish to explore and absorb as much of what Israel has to offer as possible. Even if you are visiting Israel for a specific reason, whether it be for a city break in Tel Aviv, a religious trip to Jerusalem or to bathe in the Dead Sea, the country is not so large that you can't take advantage of more than one resort or city in Israel. Israel is everything you want it to be and more.

“ **- WHY WE LOVE ISRAEL -**
Israel is blessed with a unique blend of cultures and truly warm and hospitable people. You will be made to feel incredibly welcome here. ”

RESORTS IN ISRAEL

TEL AVIV

Tel Aviv is a unique and quite remarkable destination combining stunning beaches, culture and a cosmopolitan atmosphere, which passes through this city due to its 24-hour buzz (Tel Aviv is known as “The City that Never Sleeps”), beach side nightlife, cosmopolitan shopping and cafe culture. The general atmosphere in Tel Aviv is laid back and very welcoming. Old Jaffa is the city’s ancient district and is a reminder of Tel Aviv’s long and fascinating past. This city is ideal for a fun city break, a long beach holiday or as a stop over as part of a wider tour of Israel.

JERUSALEM

Jerusalem is one of the oldest and most holy cities in the world. No one will ever forget a visit to Jerusalem, whether it is for a short city break, a cultural or religious trip or as part of a wider tour of Israel as the historical and religious sites are second to none and you will find people from all over the world marvelling at the city. Here, the past meets the present with the city’s extremely rich history and a dynamic present. Step back in time by visiting Jerusalem’s Old City, with its colourful bazaars, narrow cobbled streets lined with traditional cafes.

DEAD SEA, ISRAEL

Yet another world-renowned site that Israel has to offer. The Dead Sea is one of the world’s first health resorts, dating back to biblical times. The water is said to have great healing benefits due to its hyper-saline content, and the highly oxygenated air is good for respiratory issues. The hotels in the area make full use of these elements in their spas.

EILAT, RED SEA

Eilat is one of the original Red Sea resorts and makes full use of the stunning beaches at its doorstep and the warm year-round climate. The beaches here offer fantastic water sports and some of the best diving spots in the world. The city has a wide variety of restaurants, as well as vibrant nightlife options.

TIBERIAS & SEA OF GALILEE

Despite Galilee being a relatively small region in the north of Israel, it offers great natural beauty including the Sea of Galilee, Jordan River, a stunning mountain range and the lush green Biriya Forest. “**- WHY WE LOVE JORDAN -**
Holidays to Jordan guarantee a unique and memorable experience. Filled with ancient sites and culture, it's a fascinating country to discover.”

INFORMATION ON JORDAN

THINGS TO SEE & DO

If you are looking for culture and history, then Jordan will more than satisfy your appetite. To start with, the ancient city of Petra is one of the most iconic images of Jordan, with the Treasury being carved out of the red rocks and standing over 40 meters tall. Other historical/ religious sites that must be seen include the Desert Castles, Jerash, which is one of the best preserved ancient Roman cities outside of Rome and the site at the River Jordan where Jesus was said to be baptised.

JORDANIAN CUISINE

The best way to anyone's heart is through their stomach. Jordan has a huge range of food and mezes to try and sample. Whether it be passing by a food stall or having a traditional sit down Jordanian meal, you'll be sure to indulge yourself in the unique flavours and aromas. As Jordan is one of the largest producers of olives in the world, Jordanians always find a way to integrate this delicious, and some believe medicinal ingredient, into their authentic cooking. Along with the two main herbs Sumac and Za'atar which are grown wild in Jordan, yoghurt is also a very popular ingredient and is included in their national dish Mansaf, which Jordanians believe is a dish symbolising generosity in their culture.

DRINKS IN JORDAN

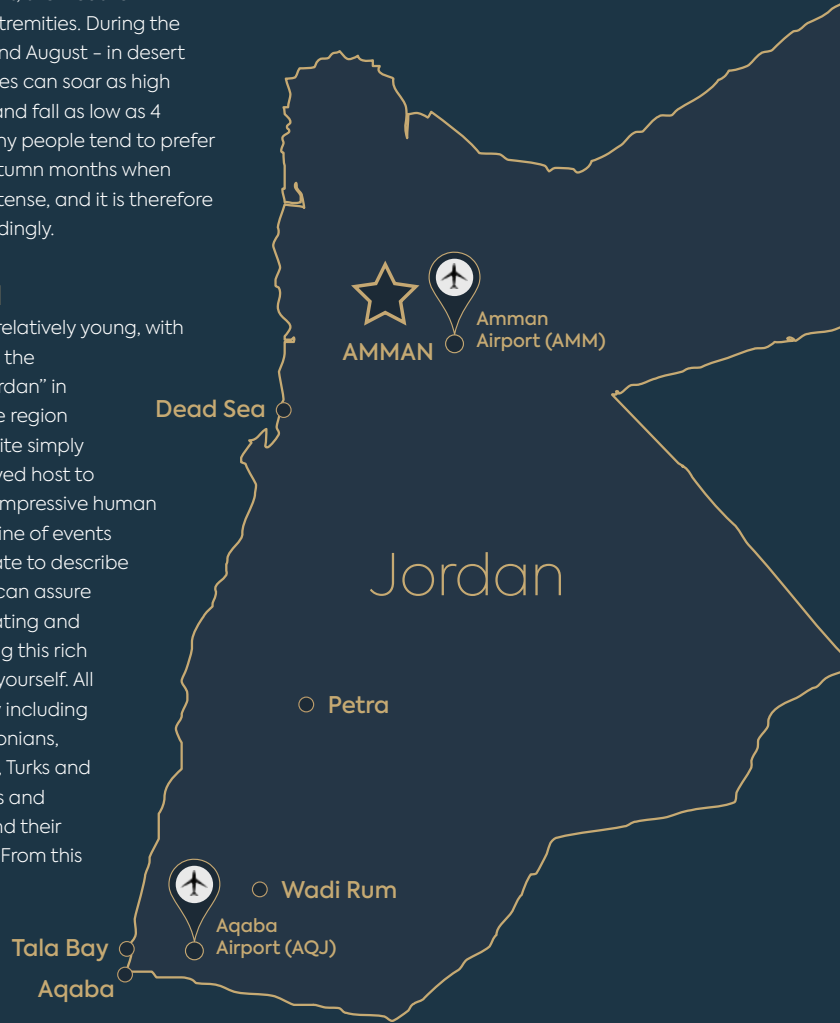

The focal point of any Jordanian village is the coffee house, where specially brewed teas and strong Arabic coffees are part of the Jordanian staple diet. When the weather is not too hot, coffee houses and street stalls will serve "sahleb", a thick milky drink made with cinnamon and coconuts and sprinkled with nuts. Whilst drinking alcohol is forbidden under Islam, you will find alcohol being served in hotels and upmarket restaurants, especially those catering for tourists.

WEATHER IN JORDAN

Being in the heart of the Middle East and with 90% of the country covered by desert, the weather in Jordan can hit high and low extremities. During the summer months of June, July and August - in desert areas specifically - temperatures can soar as high as 40 degrees during the day, and fall as low as 4 degrees when the sun sets. Many people tend to prefer travelling during spring and autumn months when temperatures are a little less intense, and it is therefore advised to plan your trip accordingly.

HISTORY OF JORDAN

The modern state of Jordan is relatively young, with it officially being recognized as the "Hashemite Kingdom of the Jordan" in 1946. However the history of the region that we today call Jordan is quite simply staggering. The region has played host to some of the earliest and most impressive human civilizations in history. The timeline of events through history is far too intricate to describe in just a few sentences but we can assure you that you will have a fascinating and enlightening journey discovering this rich history when you visit this land yourself. All the great civilizations of history including the Egyptians, Assyrians, Babylonians, Hittites, Greeks, Romans, Arabs, Turks and Crusaders all traded, built cities and fought wars here, leaving behind their indelible marks and influences. From this perspective, there really are not many places on earth more interesting than Jordan.

EXCURSIONS IN JORDAN

Jordan is a country that is simply bursting with history and awe inspiring sites. Whilst we would recommend going on one of our set guided tours in order to get the full Jordan experience and to not miss a single thing, our excursions are a great alternative whereby you can be more selective with what you see and when. Full day visits to Petra, the Wadi Rum desert or the Dead sea are just a small selection of what we can offer and these can be planned around your itinerary in a way that suits you. With even more choice available than what is shown here, our in-house Jordan expert advisors are able and willing to advise you and even tailor-make your own bespoke excursion if need be.

RESORTS IN JORDAN

Jordan, much like Israel, is bursting with natural beauty and ancient wonders. It is rare that visitors to Jordan will visit only one resort or city. Jordan is best discovered by experiencing as much of the richness and diversity that this country is able to offer. From the cosmopolitan Amman, the ancient Petra, the healing Dead Sea, the Red Sea waters of Aqaba and the stunning wilderness of Wadi Rum, each of Jordan's main cities and resorts are truly unique and offer a completely different experience from the next. Overleaf is a brief overview of each resort that will hopefully give you a sense of the diversity of unforgettable experiences to be had in Jordan.

“ **- WHY WE LOVE JORDAN -**
A place where history, culture and pure wonder run deep. You can't leave this place without feeling a huge sense of awe. ”

RESORTS IN JORDAN

AMMAN

The capital of Jordan is both a modern, cosmopolitan centre – home to tree-lined streets of elegant houses, cafés and shops – and an ancient city, evidence of which can be found all around with the remains of Neolithic, Ammonite, Assyrian, Babylonian, Persian, Nabatean, Roman, Byzantine and Ottoman civilisations abounding. Together, these two different aspects of Amman combine to make an unforgettable city worthy of several days' exploration.

PETRA

In 2007 Petra was voted one of the 7 New Wonders of the World, and a visit to this endlessly fascinating city quickly reveals why. The ancient metropolis combines architecture with panoramic views and great natural beauty, and exudes a captivating atmosphere of mystery. Explore awe inspiring constructions carved into the famous pink rock in Roman times and discover remains of the ancient Nabatean culture. From the first approach, a trip to Petra is truly magical.

DEAD SEA, JORDAN

The lowest point on earth is also one of the most unforgettable, offering visitors an utterly unique experience. Tourists have been flocking to the Dead Sea for many years and for many different reasons. Most take advantage of the health benefits of the highly oxygenated air and nutrient-rich waters, whilst others visit the local sites of religious & cultural significance. Experience first hand the beautiful landscape, amazingly buoyant waters & rejuvenating Dead Sea mud.

AQABA & TALA BAY, RED SEA

Aqaba is a Red Sea resort like no other. As well as a peaceful, un-commercialised holiday resort with some excellent quality hotels and great water sports facilities, it is also Jordan's only port, with a bustling town centre full of life day and night. With many shops, restaurants and cafés frequented by locals as well as tourists, Aqaba offers an authentic taste of Jordanian life, as well as being a tax free zone.

WADI RUM

Declared a protected area in 1998, Wadi Rum is an area of stunning desert wilderness. Spread over 720 km², the landscape of this vast desert expanse comprises huge sandstone and granite mountains with sheer sides, valleys and canyons. Wadi Rum has played, and still plays host to Bedouin tribes for thousands of years with evidence of this in the form of ancient drawings etched onto the sides of rocks and caves.

TERMS & CONDITIONS

1. OUR DETAILS

Cyplon Travel LTD (trading as Cyplon Holidays), 246 Green Lanes, London, N13 5XT
Telephone – 020 8340 7612 – E-mail – sales@cyplon.co.uk

2. YOUR HOLIDAY BOOKING

A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept & do accept on behalf of your party the terms of these booking conditions.

3. PAYING FOR YOUR HOLIDAY

The prices shown in our brochure are for guidance only. We have adopted a completely fluid method of pricing our holidays (ie our prices may change second by second to reflect ever changing airfares, hotel rates etc). Additionally, Special Offers are subject to availability and applicable dates, and are subject to change. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed. When you make a booking, you must pay a nonrefundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional nonrefundable deposit will be required for a Wedding or Cruise & it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

4. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period before departure in which you notify us:	Cancellation Charge:
More than 70 days	Deposit only
70-57 days	30% of holiday cost, or deposit if greater
56-29 days	50% of holiday cost, or deposit if greater
28-15 days	70% of holiday cost, or deposit if greater
14-8 days	90% of holiday cost, or deposit if greater
7 days or less	100% of holiday cost.

The above charges may differ for group bookings as well as special promotional offers & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under- occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that, apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

6. IF WE CANCEL OR CHANGE YOUR BOOKING

(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) – Changes to the price
We can change your holiday price after you've booked, only in certain circumstances: Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will provide a refund of insurance premiums paid to us if you can show that

you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

- (2) – Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation if we cancel or make a major change to your booking
The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Compensation From Us
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25
