# TTG TRAVEL AWARDS 2018

Specialist Operator of the Year

*Winner*

## AWARD WINNING

Cyplon Holidays has received many awards in its history since it was established in 1972. Most recently we were recognised by the UK travel industry at the Travel Trade Gazette (TTG) Trade Awards. We received the great honour of being named as the UK's "Specialist Operator of the Year" for 2018. In 2017, we were rewarded with the title of the UK's "Leading Tour Operator for Family Holidays" at the Travel Bulletin Star Awards. Similarly, we have been winners of the title "Leading Independent Tour Operator to the Mediterranean" in 2015, achieving this consecutively, having won the award in 2012, 2013 and 2014.

## WE ARE AITO MEMBERS

Cyplon Holidays is a proud member of the Association of Independent Tour Operators. AITO represents Britain's leading independent tour operators and demands high standards of quality and service. Cyplon Holidays abides by AITO's Code of Conduct and adheres to the AITO Quality Charter.

## FLIGHTS FROM REGIONAL AIRPORTS

Whether it is scheduled, no frills or chartered airlines that you wish to travel on, we can meet all of your requirements, as we can offer you all available flights from any Regional UK Airports. Pre-booked upgrade services are also available and we can even arrange an airport lounge-pass for you, if you wish to avoid the commotion and start your relaxation straight away. Speedy/Priority boarding and even in-flight meals (on no frills airlines) can also be arranged with our Reservations Staff.

## PRIVATE TRANSFERS

Do not fear- we won't put you on a bus full of 30-40 people! When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. N.B. Child and Baby Seats For Transfers- if required are at an extra cost and must be booked in advance.

## CYPLON REPRESENTATIVES

The Cyplon Family does not just reside in the UK, it extends abroad - Our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. Generally we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your Resort & its surroundings. You will also be provided with an around-the-clock point of call - in case you need any additional assistance whilst on your vacation.

## SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, it is within our right to deem a price of our competitor "not sensible", i.e. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than it costs.

## FLUID PRICING IN THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. This way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our Reservations Team on **020 8340 7612**, or visit our website [www.cyplon.co.uk](http://www.cyplon.co.uk).

Ask your preferred Travel Agent to contact us on **020 8340 7612** | [sales@cyplon.co.uk](mailto:sales@cyplon.co.uk)

# HOLIDAYS byDESIGN

As pioneers of “Tailor made” holidays, Cyplon Holidays can claim with some pride to have been tailoring holidays before the term was even coined by the travel industry. If you are looking for privacy then we thoroughly recommend staying in a magnificent holiday villa or self-catering apartment. Take advantage of the local produce and become a master chef abroad!

## CITY BREAK HOLIDAYS

Looking for a hotel in the heart of town? Try one of our City break hotels for convenience and a bit of cosmopolitan style.

## INFORMATION ON CYPRUS

### LARNACA

Situated on the south-eastern coast, home of the main international airport, Larnaca is one of the oldest continually inhabited cities in the world. Its trademark, the famous milelong promenade lined with palm trees, is now a pedestrianised zone, which makes this area's open-air cafes, tavernas and restaurants even more attractive. At one end of the promenade is a yacht marina and a port and about 200 yards inland lies the town's main commercial shopping centre, with many department stores and supermarkets. To the west of Larnaca is the beautiful salt lake, home to migratory flamingos and the Mosque of Hala Sultan Tekke, which is the fourth most important shrine to Muslims. Close to Larnaca is the village of Lefkara, famous for its lace and silverware, and the village of Konnos, famous for pottery.

### PAPHOS

Situated on the South West Coast of Cyprus, Paphos holds great appeal to visitors of all ages. Steeped in history, with a wealth of ancient sites, some dating back to 4th Century BC. The Island's capital in Roman times, and the legendary birthplace of Aphrodite, Goddess of Love and Beauty, Paphos retains its charm despite its popularity as a tourist resort. The main tourist area, and many archaeological sites, are to be found in Kato, or lower Paphos, whilst the old town known as Ktima sits further inland, high up on a rocky plateau.

### LATCHI & POLIS

Less than an hour's drive from Paphos on the northern coast of the Island lies the unspoilt rural area of "Polis tis Chrysochous" with its relaxed, agricultural town of Polis and small fishing village of Latchi. Over the years these have yielded numerous ancient relics. Bordering the Akamas Peninsula Nature Reserve with its sandy bays, wildlife and geology, this area is ideal for ramblers, water-sport enthusiasts or those wishing to relax in a totally tranquil environment.

### AYIA NAPA

What was once a small fishing harbour resort surrounded by a few houses has fast become a popular resort, particularly with families and young people. Ayia Napa's shimmering clear blue waters and white sandy beaches provide an exceptional setting for beach lovers, and the resort offers plenty of exciting activities for families. The town centre is a late-night draw for young clubbers, and it can get rather lively. However, most Ayia Napa properties we offer in our brochure are situated well away from all the revelry, and offer a relaxing holiday environment to those who desire it.

### PROTARAS

Located in the north of Cape Greco and close to the principal town of the area, Paralimni, Protaras is just 15 minute's drive from Ayia Napa. A relaxed resort, ideal for families, couples and singles of all ages, Protaras, with its superb crystal clear waters and fine silver beaches provides an idyllic holiday setting. Its beaches are probably the finest in Cyprus, and include the famous Fig Tree Bay, whilst nearby Cape Greco offers superb snorkelling and scuba diving.

### LIMASSOL

A vibrant and popular seaside resort, famous for its Autumn Wine Festival, and Spring Carnival, Limassol is Cyprus' second largest town. An excellent choice of hotels and apartment blocks, many with their own beach, stretches right along the predominantly sandy coastline. The main tourist area offers shops, restaurants, bars and a buzzing nightlife, whilst a quieter atmosphere can be found at the Old Town and the harbour which shelters small fishing boats. Limassol offers many sites of historical interest, and is where King Richard the Lionheart married Princess Berengaria of Navarre in 1191, crowning her Queen of England.

# ISLAND HOPPING IN GREECE

## EXPLORE THE MAGIC OF THE GREEK ISLANDS

There are very few experiences in the world quite like 'hopping' around the Greek islands. Whilst the Greek islands share some general characteristics, each island has its own character, its own individuality, its own soul. With so many islands to choose from however, the possibilities with Greek island hopping are endless and simply knowing where to begin can be a difficult task. Here at Cyplon Holidays, we have the experience and expertise to make your island hopping experience as seamless and as enjoyable as possible, tailoring your journey to your exact wants and needs.

## GREEK ISLAND HOPPING

### CYCLADES ISLANDS

The 'Cyclades Islands' are located south-east of mainland Greece. The name of the island group refers to the islands that 'circle' the sacred island of Delos. Whilst Mykonos and Santorini are by far the most popular islands within this group, the lesser known islands should not be ignored. Most of the Cycladic islands are peaks of mountainous land, now submerged under the Aegean Sea and the islands of Santorini and Milos are volcanic islands. Given the islands' geology, most of the islands' terrain can be hilly and therefore offer some incredible panoramic vistas. You can fly directly to Mykonos or Santorini where there are excellent connections to the other islands. Alternatively, from Athens there are internal flight-connections to the islands of Milos, Syros, Mykonos and Santorini.

### DODECANESE ISLANDS

The 'Dodecanese Islands' are situated in the south-easternmost region of the Aegean Sea. The most well known and popular islands within this group include Rhodes, Kos, Patmos and Leros, with Kalymnos, Symi and Astypalea offering wonderful island hopping opportunities on quieter islands. Given the islands' proximity to Turkey, there is a history of Ottoman and Turkish and even Roman rule, with influences from this rich history clearly evident on the islands today. The most convenient way to explore the Dodecanese islands is to fly to Rhodes or Kos where you will be able to visit the other islands by ferry.

### IONIAN ISLANDS

Unlike most of Greece's islands, the 'Ionian Islands' are located to the west of mainland Greece. As the Ionian islands do not offer regular ferry services between each other, as well as being inaccessible to Greece's other islands by ferry, they are not known for island hopping, despite these islands being very popular in their own right. To explore the Ionian islands, it is best to fly to Corfu, Zakynthos or Kefalonia. There are fewer ferry links to the other Ionian islands with many routes being indirect.

### SARONIC ISLANDS (ARGO)

The Saronic Islands, sometimes referred to as the Argo-Saronic Islands, are named after the Saronic Gulf and Argolic Gulf, both of which are formed by mainland Greece, in which the islands are situated. The most popular island is Aegina while the island of Hydra is famed for its no motor vehicle policy & its beauty is famous for attracting & inspiring artists and poets. Given the islands' proximities & convenience to the mainland & one of Athens' main port, Piraeus, these islands are popular with holidaymakers staying on the mainland, as well as mainland locals. Daily ferries from Athens make visiting the Saronic islands very easy.

## INFORMATION ON CROATIA

### DUBROVNIK

There really is no debate over whether you should visit Dubrovnik during your time in Croatia. To us, Dubrovnik is essential in the education of Croatian life, food and culture. You can visit this city time and time again; the magic never seems to fade. From its striking Baroque architecture to the coastal views of the flawless Adriatic Sea, there are few places on earth quite as exciting and beautiful as this city.

### CAVTAT

If you're looking to escape the busy streets of Dubrovnik, head a few miles south to the centre of the Konavle municipality, to the quaint town of Cavtat. Set along the Adriatic coast, this stunning harbour features a traditional kind of charm and incredible coastal views. Cavtat is the ideal base for those wanting to explore nearby cities, such as Dubrovnik as well as neighbouring islands like Hvar, Mljet and Korčula.

### MLINI

Mlini is a beautiful fishing village set within the Dubrovnik region, and it makes a perfect escape from the busy city of Dubrovnik, as well as a convenient base for anyone looking to explore nearby towns and islands. This pretty little oasis boasts beautiful greenery and wellsprings with fresh drinking water, and the village is also home to some fantastic beaches.

### SPLIT

Known as the second largest city in Croatia, Split has so much to offer its guests when it comes to food and drinks, sights and attractions, and not to forget shopping and culture. It has a rich history dating back to the Roman Diocletian Empire and today it features an interesting mix of beautiful architecture and ruins. The city boasts fantastic public transport links for in and around the city and we can offer a great choice of luxury hotels.

### MAKARSKA

The Makarska Riviera, as it is known, is the famous stretch of coast between the towns of Brela and Gradac; and the Riviera's most illustrious destination is of course the port of Makarska, a place where the Biokovo Mountains dominate the skyline and where limestone buildings turn pink in the sunset. Set on a horse shoe shaped bay, this stunning town is not to be missed.

### HVAR

Hvar, the Queen of the Dalmatian islands, is a destination which attracts a stylish and trendy crowd throughout the year. Hvar Town, the island's most popular area draws over 20,000 people per day during peak seasons, so if you're looking for a beautiful resort with a lively atmosphere, make Hvar Island your next holiday destination.

### ROVINJ

A picturesque town on Croatia's famous Istrian peninsula, it juts out into the turquoise waters of the Adriatic Sea, making it a stunning holiday destination. It is renowned for the quality of its pebble beaches, with the nearby Lone Bay especially good. This combined with the Italian style cuisine and proximity to the vibrant city of Dubrovnik, make it ideal for people who want to visit the city without actually staying there.

### POREČ

An ancient Roman town on Croatia's Istrian Peninsula, its stunning coastline attracts visitors from around the world. This vast array of gorgeous beaches that stretch both to the north and south of the town, is perfectly complemented by a vibrant night-time scene and excellent cuisine.

### PULA

Pula is a beautiful coastal city, which is situated on the tip of Croatia's Istrian Peninsula. It is especially famous for the quality of its food and is nicknamed the new Tuscany, an honour that it more than earns.

# MONTENEGRO HOLIDAYS

The tremendous unspoilt beauty of Montenegro remains relatively unknown in the UK, however this only adds to the country's appeal as a spectacular holiday destination. The name 'Montenegro' translates to mean 'Black Mountain'. Whilst the origin of this name is still debated, it is widely thought to be a reference to Mount Lovćen and the dense forests that cover it. The name originates from Venetian dialect rather than Serbo-Croatian and shows the dominance of the Venetian Empire in the region's history. Montenegro lies on the west of the west coast of the Balkan Peninsula and boasts a pristine coastline along the South-Adriatic Sea.

“ **- WHY WE LOVE MONTENEGRO -**  
An up-and-coming destination, with plenty of hidden gems, unspoilt beaches and excellent 5-star luxury facilities across all resorts. ”

## INFORMATION ON MONTENEGRO

### BUDVA

Budva is the capital of Montenegrin tourism for a reason, offering a plethora of great things that all guests are bound to enjoy. Foremost of these, is its historic Old Town (Stari Grad), replete with large medieval walls and meandering cobbled streets that ooze atmosphere. It is also the jewel in the crown of the Montenegrin Riviera, with several iconic beaches, including Jaz Beach and Mogren Beach. The town of Budva dates back about 2,500 years which makes it one of the oldest urban settlements on the Adriatic coast. Budva is a great destination for nights out, with young people from around Europe coming to enjoy its vibrant party scene. This combined with the spectacular beauty of the town and the nature that surrounds it, makes Budva one of the best romantic holiday destinations in Europe, if not the world.

### KOTOR

Kotor is a truly stunning ancient town & a UNESCO World Heritage Site. Kotor is situated on one of the world's most beautiful secluded bays (Boka Bay) coming off the Adriatic coast & is surrounded by lush rolling mountains, offering quite spectacular views. Nestled between two imposing mountains and situated in the beautiful Bay of Kotor, the city of the same name is an incredible holiday destination, combining stunning nature and architecture to form the complete holiday package. The Old Town is very well preserved & was built up between the 12th & 14th centuries. As the secret of Kotor's beauty gets out, it is slowly becoming a more popular destination & in the summer months the yachts of the super-rich fill the marina. The town also plays host to a number of events & carnivals over the summer.

### TIVAT

A gorgeous harbour town that is quickly becoming a vital part of the Montenegrin Riviera, Tivat combines the stunning blue waters of the Adriatic, with a plethora of great things to do. Much of its rise in popularity is thanks to the development of Porto Montenegro, which has developed from the former historical naval facility and nowadays presents a state of the art holiday spot. The town is centred around the recently developed marina, which now plays host to an array of boats, which has transformed it into one of the most popular destinations in the Adriatic.

# MALTA & GOZO ISLAND

Malta is a small but infinitely fascinating archipelago located in the southern Mediterranean, within close proximity to Sicily and Tunisia. Given Malta's geographical location and history dating back thousands of years, Malta's culture, architecture and cuisine have been influenced and intricately formed over the course of millennia to create a densely packed treasure trove of an island. Despite its size, you are guaranteed to experience diversity throughout. Regardless of which region you decide to stay in, the whole island of Malta is easily and quickly accessible, allowing visitors to experience all of the very best that the country has to offer, from the history and grandeur of the capital city of Valletta, the world famous scuba diving in Cirkewwa, the sandy beaches of Mellieha and Golden Bay and the rustic landscapes of Gozo.

“ **- WHY WE LOVE MALTA -**  
For an island so small, Malta has a great selection of affordable Luxury Hotels scattered across Malta and Gozo Island, with perfect weather all-year-round. ”

## INFORMATION ON MALTA

### ST JULIAN'S BAY

One of the most popular tourist destinations in Malta, St Julian's Bay plays host to some of the best hotels on the island. This coastal town is informally divided into 4 main subregions, Paceville, Ta' Ġiorni, Tal-Ghoqod and St Andrew's. Paceville is known for being Malta's best nightspot.

### SLIEMA

The town of Sliema is conveniently sandwiched in between 2 of Malta's most popular tourist destinations, the bustling St Julian's and Malta's remarkable capital, Valletta. What was once a quiet fishing village is now a laid-back centre for designer shopping, restaurants and cafés, as well as a quality selection of 4 and 5 star hotels. From the coastal promenade you can enjoy spectacular views of Valletta.

### MDINA

Mdina, also referred to as Malta's "Silent City" and "Noble City", acted as the island's capital from antiquity until the Medieval period when Valletta took on the mantle, and can trace its history back around 4,000 years. It is also said that the Apostle St Paul took refuge in Mdina after being shipwrecked on the islands.

### VALLETTA

Valletta is a magnificent fortress city and the administrative capital of Malta, built by the Knights of St John entirely by hand in the 16th century. This small city is a showcase of baroque architecture and is officially recognised as a UNESCO World Heritage Site. With fascinating buildings and historical points of interest at every turn, Valletta is a treasure chest of a city for those with an interest in history and architecture.

### ST PAUL'S BAY

St. Paul's Bay is the place to be if you're looking for the perfect mix of beaches and architecture. This Northern Maltese town is the largest town in the region and is best known for its pretty coastline, long stretches of golden sand, stunning cathedrals and churches, and interesting nightlife.

### GOLDEN BAY

As its name suggests, the Golden Bay resort boasts one of the very few golden sandy beaches in Malta. The region itself is relatively secluded, however this takes nothing away from the natural beauty of the coast, cliffs and surrounding Il-Majjistral Nature and History Park. Golden Bay is situated in the NorthWest region of Malta and offers a picturesque beach retreat with easy access for visitors to conveniently enjoy the amenities of nearby towns and the rest of the island.

### QAWRA

Qawra (pronounced "awra") is in the St Paul's region of Malta on the north-east coast of the island. It has become a popular tourist resort for both the summer and winter seasons, offering a fun and relaxed atmosphere with plenty of restaurants and bars to cater for all needs.

### GOZO ISLAND

Gozo is the second largest island in the Maltese archipelago (behind the island of Malta itself). Gozo is more rural and less built up compared to Malta and is very popular with visitors who want a peaceful holiday with natural beauty and tranquillity at the forefront. Whilst there are some stunning hotels on this island, staying in a traditional farmhouse is also popular. Despite its size,

## INFORMATION ON SICILY & SARDINIA

### SICILY HOLIDAYS

The largest island in the Mediterranean, Sicily is located just off the tip of Italy's 'boot'. As an island Sicily boasts its own vibe whilst the culture is classically Italian, however after some 25 centuries of occupation by Phoenicians, Greeks, Carthaginians, Romans and Arabs; the island has inherited influences in cuisine, art and architecture from a mixture of cultures. Sicily's rich heritage is matched by an astonishing variety of landscape from the tallest active volcano in Europe, Mt. Etna, to mountains and coastline coves with sandy and pebbled beaches. Given the island has a landscape that reflects a very rich history and diverse natural surroundings, for those who want the perfect mix of outdoor adventures and immersive culture, Sicily is a fine travel destination. If nothing else, the famously divine Sicilian cuisine which fuses the best of Italy with influences from afar will certainly win you over.

### SARDINIA HOLIDAYS

A beautiful island perched off the edge of the Italian mainland, Sardinia combines a warm climate, gorgeous natural scenery and a rich history, making it the ideal romantic holiday destination. It is especially famous for its sheltered white sand beaches and turquoise waters, making it the perfect place for those seeking a traditional beach holiday. Sardinia is the second largest island in the Mediterranean and it's perhaps Italy's best kept secret for those who are not yet in the know. Sardinia is located in the Mediterranean with Italy to its right, Spain to its left & the French island of Corsica to the north.

## INFORMATION ON MADEIRA

### LOCATION

The archipelago of Madeira is situated off the northwest coast of Africa and comprises of 4 islands. It is known for its warm breeze that blows from the Gulf stream and is ideal destination for winter breaks. Its capital is Funchal, recognised for its green, botanical gardens and the island has an average population of 254,876.

### WEATHER IN MADEIRA

Madeira features a good climate with most days being sunny and little rain dominating the island. Because of its mountainous terrain, it includes various microclimates. The bay of Funchal enjoys the best sunshine with most hotels running along its southern coastline. On the southwest coast, at Ribeira Brava, Ponta do Sol, Madalena do Mar, Calheta, Jardim do Mar and Paul do Mar, backed by the lower hills of Paul da Serra, the sun shines during its summer months and the weather is generally fair throughout the winter. The average temperature in July is 21 degrees and in August around 24 degrees, whilst in the winter it averages to about 18 degrees in December.

### HISTORY & CULTURE

The discovery of the island of Madeira is captivating and enthralling, as three young sea captains, took a leap into the unknown amidst dark, gloomy clouds on the southern horizon. King John I of Portugal ordered the colonisation of the island, around 1425, with the first families coming from the Algarve region and then from the northern region of the mainland. In order to create the minimum conditions to settle and develop agriculture, a part of the dense laurel forest had to be deforested and a large number of water channels (levadas) were built, as the northern part of the island had excess water while it was scarce in the south. Fish, fruit and vegetables were the main livelihoods of the first inhabitants. Sugar turned Funchal into a mandatory crossing point for European trade routes. Sugarcane became the instigator for the island's economic growth and its settlers utilised the perfect climate to cultivate the crop before the sugar industry migrated to South America, making wine the main industry of the island.

### MADEIRAN CUISINE

As a South-European island, Madeira has developed its own gastronomy prepared with locally sourced and natural ingredients, giving the island its own individual flavour and cuisine, independent from its neighbours, such as Greece, Italy or even mainland Portugal. Food and drink is an important aspect of the Madeiran lifestyle and restaurants are plentiful around the island to offer its visitors deliciously prepared food and unique culinary experiences. In Madeira you will be able to indulge in a variety of flavours from the taste of exotic passion fruit, to street food, such as their local garlic bread Bolo Do Caco and even fresh sea food including fried scabbard fish. Tasty and succulent selections of meat including beef, pork and chicken, are very popular in Madeira as part of their traditional Espetada, comprising of grilled meat on long skewers. With the high production of sugar cane in Madeira, the Madeirans produce their signature sugarcane rum. The sugarcane rum drink, known also as Poncha, includes sugarcane rum, honey and can be made with either orange or passion fruit. Alternatively, if you prefer to dine with some wine then the Madeira Wine is world-famous due to the plethora of vineyards scattered around the island.

### FAMILY ACTIVITIES

Madeira island is known for its exquisite black volcanic sand, crystal clear waters and high beach standards, making it an ideal place for families and couples. For families seeking golden sandy beaches then the beaches of Calheta and Machico are the places to be, where the sand is imported specially to cater for its travellers. Families seeking to experience history, art and culture can visit the range of museums in the capital of Funchal, such as the Madeira Story Centre or the CR7 Museum, a museum dedicated to the football star Cristiano Ronaldo, exploring his amazing story and his collection of trophies achieved throughout his career.

# CANARY ISLAND HOLIDAYS

A holiday to the Canary Islands is like an adventure to the farthest flung corner of the Spanish territories, but just a stone throw's away from North Western Africa's coastline; a real mix of cultures yet a cluster of islands offering seclusion, dreamy coastlines and a unique culture so making you feel like it's a whole destination of its own. Gran Canaria, Tenerife, Lanzarote, Fuerteventura, La Palma and La Gomera are islands far from the rest of Spain's mainland and Balearics, offering something a little bit different from the norm. For some, it's the paradisiacal beaches and 5 star luxury resorts that really draw them into the Canaries dream; for others, it's the dramatic volcanic landscapes and the promise of endless nature trails across the islands' stunning national parks that really makes it.

“ **- WHY WE LOVE THE CANARY ISLANDS -**  
An all-year-round destination, with each island having it's own unique character and culture ”

## INFORMATION ON THE CANARY ISLANDS

### TENERIFE

Tenerife attracts more than 10 million visitors for a reason, offering a gorgeous yearlong climate, stunningly beautiful beaches and a bubbling nightlife. This is largely situated in the southern part of the island, with resorts like Santa Cruz and Adaje, renowned for offering everything that a visitor could ever want from their beach holiday. Yet it is also a land of contrasts, with the volcanic area that surrounds the now dormant Mt. Teide, a beautiful and isolated area, crammed full of interesting geology and unique wildlife. A great place for family holidays as it is for couples or those on group holidays, you will find everything from beachfront resorts and lavishly appointed hotels to volcano adventures, impressive national parks and lively nightlife. This means that Tenerife offers something for everyone, making it ideal for anyone who loves, sun, sand and spectacular natural scenery.

### FUERTEVENTURA

The smallest and most peaceful of the Canary Islands, it is perfect for families and couples who want to enjoy gorgeous, golden beaches that are not quite as busy or wild as some of its neighbours. Like many of the Canaries the coastal areas are well-populated, with places like the capital Puerto Rosario and Corralejo, renowned for the beauty of their beaches. Whereas inland, Fuerteventura becomes more wild and rugged, a volcanic landscape just waiting to be explored. This makes it ideal for people who want a peaceful beach holiday amidst truly sublime natural scenery.

### LANZAROTE

A gorgeous UNESCO Biosphere it combines stunning geology with incredible beaches to make an exceptional holiday destination. The coastal parts of the island are fairly built-up, with places such as Puerto del Carmen and the capital Arrecife, offering a magnificent combination of buzzing nightlife and incredible beaches. This contrasts beautifully with the more remote centre of the island, where visitors will be greeted with alien lava fields and multi-coloured volcanoes. This along with the great food, well-designed facilities and yearlong hot weather, makes Lanzarote the ideal place for people who want a slightly different take on a traditional beach holiday.

### GRAN CANARIA

A stunning island holiday destination, combining gorgeous golden beaches with foreboding inland mountain passes to create the ideal beach holiday. The scenery is to die for too; boasting the most diverse landscape of the archipelago, you'll find everything from subtropical forests and lush green mountains to golden dunes and white sand coves. The coastal parts of the island are built-up and have excellent tourist facilities, with Las Palmas, Maspalomas and Playa del Ingles, all renowned for their exceptional beaches and lively nightlife. They call Gran Canaria the "Continent in Miniature" because it has a little bit of everything. So if you're looking for the perfect family destination with plenty of variety, Gran Canaria is the ultimate place to be – for shopping, for nature hikes, for top nightlife or just relaxing on a pretty beach.

### LUXOR

Luxor is sometimes nicknamed the world's greatest open-air museum, a nickname that it more than lives up to. It is the closest modern city to Ancient Thebes, where the size and grandeur of the monuments that survive will take your breath away. On the west bank of the Nile, the Valley of the Kings is dotted with tombs of Pharaohs, including that of Tutankhamen, while close by is the Valley of the Queens, Temple of Hatshepsut and the massive Colossi Memnon. Nile Cruises usually start at Luxor and sail to Aswan and back, making Luxor an ideal place to enjoy a stay on dry land before or after your cruise down the Nile.

### MARRAKECH

One of the most captivating cities not only in North Africa, but throughout the world, Marrakech lies close to the foot of the Majestic Atlas Mountains and just a few hours away from the Sahara desert. There are 2 contrasting parts of the city, the Medina, which is the historical centre of Marrakech where you will find the famous souks, narrow streets and endless charm, and the modern district called Ville Nouvelle or Gueliz, which boasts modern restaurants and shops. Essaouira is a small but up and coming tourist destination in Morocco. This is a perfect example of a late 18th century fortified town. Originally a small fishing village, Essaouira retains its fishing heritage and you can witness the spectacle of the fishing boats coming in to harbour at sunset, brimming with fish. The Medina is a UNESCO World Heritage Site. Essaouira boasts two 18-hole golf courses designed by Gary Player. The resort also lends itself to being part of a multi-centre trip in Morocco, where you can experience the different wonders the country has to offer.

### AGADIR

It is located at the shores of the Atlantic Ocean, close to the Anti Atlas Mountains, and is the largest coastal resort in Morocco. It boasts gorgeous white sandy beaches, as well as a beautiful waterfront promenade and a recently built marina with luxury shops and restaurants. Visit the ancient Kasbah for spectacular panoramic views of the entire town. Souk El Had is the region's largest market with around 600 small shops and stalls surrounded by high walls.

## INFORMATION ON ISRAEL

### TEL AVIV

A bustling, vibrant, cosmopolitan metropolis that encompasses everything that is great about modern Israel. It is stunningly beautiful, thanks to the Scottish architect who designed it to be a garden city, meaning there are loads of parks and green spaces. It is also a place of varying architecture with the white-washed Bauhaus houses of the 1930s a particular treat. Old Jaffa is the city's ancient district and is a reminder of Tel Aviv's long and fascinating past. This city is ideal for a fun city break, a long beach holiday or as a stop over as part of a wider tour of Israel. This alongside a myriad of amazing beaches, great bars, historic art museums and much, much more, make Tel Aviv possibly the best advert for Israeli culture in the world. It is enchantingly modern and cool: Brighton to Jerusalem's London and a must visit for anyone who is coming to Israel.

### JERUSALEM

A historic melting pot that is the centre of three of the world's most important religions that everyone should see at least once. It has long been a place of pilgrimage for Muslims, Christians and Jews and is the location where both Muhammed and Jesus were believed to have ascended to heaven. This along with numerous other places of interest from the Bible, the Quran and the Torah, ensure that you will be walking through streets that ooze historical significance. It is a place that has changed hands many times, ensuring that its unique neighbourhoods have developed their own special character, with the bells of the Christian Quarter, the incense of the Muslim Quarter, the bright coloured pottery of the Armenian Quarter and the beauty of the Jewish Quarter all shining through like beacons. Here, the past meets the present with the city's extremely rich history and a dynamic present, to be discovered on your city break. Step back in time in Jerusalem's Old City, with its colourful bazaars, narrow cobbled streets lined with traditional cafes.

### DEAD SEA

The Dead Sea is one of the world's first health resorts dating back to biblical times as the water is said to have great healing benefits due to its hyper-saline content, as well as the highly oxygenated air and the hotel spas in the area make full use of these elements in their spas. Health and beauty products across the globe make use of the salt and minerals from the Dead Sea. For much more than just a relaxing spa holiday, the area is also a destination full of historical interest and is home to the Qumran Caves, where the Dead Sea Scrolls were discovered. This is also a great base from which to discover the freshwater springs of the Judean desert and the Waterfalls of of Ein Gedi.

### TIBERIAS

An enchanting holy city that is important to both Jews and Christians, it is the burial site of some of Judaism's most important scholars and sages, while also offering access to the Sea of Galilee, where Jesus performed many of his miracles. This combines with a more modern tourist culture, where visitors can relax on the beach, bathe in bubbling hot springs and enjoy a bustling nightlife to make for a fascinating destination. It is also home to plenty of places that outdoor enthusiasts to enjoy, such as Mount Arbel, Israel's tallest peak that provides spectacular views over the surrounding area.

### EILAT

Eilat is one of the original Red Sea resorts and makes full use of the stunning beaches at its doorstep and the warm all year-round climate. Nestled on the Red Sea, close to Israel's border with Jordan, Eilat is an ocean lover's dream, whose crystalline waters and beautiful beaches are the ideal place to relax amidst stunning scenery. Submerged beneath their surface are a series of stunning coral reefs that play host to numerous species of tropical fish and a pod of friendly dolphins, making it ideal for scuba diving and snorkelling on your beach holiday.

“ **- WHY WE LOVE JORDAN -** Holidays to Jordan guarantee a unique and memorable experience. Filled with ancient sites and culture, it's a fascinating country to discover. ”

## INFORMATION ON JORDAN

### AMMAN

As Jordan's historic capital it marks the crossroads between Damascus, the Red Sea, Jerusalem and Mecca, and oozes ancient history to create the perfect holiday package. There you will find the famous hospitality of the Jordanian people, bustling places crammed with culture, such as Rainbow Street and historic landmarks like the Citadel. It is also within touching distance of the Dead Sea, offering visitors the chance to see the lowest land point on Earth. It is both a modern, cosmopolitan centre - home to tree-lined streets of elegant houses, cafés and shops - and an ancient city, evidence of which can be found all around with the remains of Neolithic, Ammonite, Assyrian, Babylonian, Persian, Nabatean, Roman, Byzantine and Ottoman civilisations abounding. Together, these two different aspects of Amman combine to make an unforgettable city worthy of several days' exploration, whether on a city break or family holiday.

### PETRA

In 2007 Petra was voted one of the 7 New Wonders of the World, and a visit to this endlessly fascinating city quickly reveals why. The ancient metropolis combines architecture with panoramic views and great natural beauty and exudes a captivating atmosphere of mystery. Its dramatic mountain location, the magnificent way that it is carved into the mountain and the sheer beauty of the architecture will leave you breathless. Explore awe inspiring constructions carved into the famous pink rock in Roman times and discover remains of the ancient Nabatean culture. From the first approach, a trip to Petra is truly magical. The city can only be accessed via the Siq, a narrow gorge of over 1km featuring stunning rock formations, which ends on the doorstep of AlKhazneh - the Treasury - one of Jordan's most iconic sites, made famous in the film Indiana Jones and the Last Crusade. Petra can also be accessed from Aqaba, where a charter flight operates during winter. No trip to Jordan would be complete without seeing this majestic architectural marvel.

### DEAD SEA

A gorgeous area steeped in geological and historical significance, the Dead Sea will inspire and wonder in equal measure. It is the lowest land point on earth sitting a remarkable 429 metres below sea level, which when combined with the high salt levels in its waters makes it genuinely fascinating. It is also a place of healing and luxury spas, thanks to its high saline levels and regularly appears in the Bible. Health and beauty products across the globe make use of the salt and minerals from the Dead Sea.

### AQABA

A port city situated on the shores of the sapphire Red Sea, there is no better place in Jordan to enjoy some time on the beach than Aqaba. It is renowned for the quality of the watersports on offer, with things like snorkelling and windsurfing especially good. Yet it is also a modern and vibrant town, with beachside nightclubs and fantastically welcoming people. With many shops, restaurants and cafés frequented by locals as well as tourists, Aqaba offers an authentic taste of Jordanian life, as well as being a tax-free zone.

### WADI RUM

Declared a protected area in 1998, Wadi Rum is an area of stunning desert wilderness. Spread over 720 km<sup>2</sup>, the landscape of this vast desert expanse comprises huge sandstone and granite mountains with sheer sides, valleys and canyons. Wadi Rum has played, and still plays host to Bedouin tribes for thousands of years with evidence of this in the form of ancient drawings etched onto the sides of rocks and caves.

## INFORMATION ON THE U.A.E & OMAN

### DUBAI

Dubai is about as surreal as a city can be: a vast cathedral to modernity, with massive futuristic skyscrapers that puncture the sky, it offers luxury and fun in one of the most unforgiving deserts in the world. It is the kind of place that makes your jaw drop and has some of the finest architecture that you will find anywhere. It is the urban equivalent of a magic lamp, with enough activities to make pretty much any wish come true. From watersports to skiing in the desert and everything in between you name it and Dubai has it, ideal for family holidays. This combined with the amazing nightlife, bustling cosmopolitan atmosphere and panoramic views from the top of Burj Khalifa, make it a city without compare, where you are virtually guaranteed an amazing holiday. So, if you're looking for a city break where you can indulge and enjoy the finer things in life, make Dubai your next holiday destination with Cyplon.

### ABU DHABI

The capital of the UAE, perched on an island in the Persian Gulf, Abu Dhabi, has something for everyone to enjoy. The vast desert that surrounds it offers exhilarating fun for thrill seekers; its beaches are the perfect spot for those who wish to relax in the sun; its shops sell everything; it has history and a laid-back attitude that perfectly complements its tearaway younger brother Dubai. Abu Dhabi is the kind of place where adults and families can relax if they are looking for a beach or family holiday and enjoy the stunning architecture, which has put it on the map. It is sophisticated and fun: Paris to Dubai's Amsterdam and an excellent place to holiday in the Emirates.

### OMAN

Oman is probably one of the best kept secrets of the Middle East. Quite often overlooked for the dazzling cities of the United Arab Emirates, the wonderful country of Oman never quite gets the accolade it deserves. This stunning destination rose to power between the 17th and 19th Century and features some of the most amazing Portuguese, British and even Dutch colonial architecture from Portuguese rule previously in the 16th Century. # TERMS & CONDITIONS

## 1. OUR DETAILS

Cyplon Travel LTD (trading as Cyplon Holidays), 246 Green Lanes, London, N13 5XT  
Telephone – 020 8340 7612 – E-mail – sales@cyplon.co.uk

## 2. YOUR HOLIDAY BOOKING

A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept & do accept on behalf of your party the terms of these booking conditions.

## 3. PAYING FOR YOUR HOLIDAY

The prices shown in our brochure are for guidance only. We have adopted a completely fluid method of pricing our holidays (ie our prices may change second by second to reflect ever changing airfares, hotel rates etc.). Additionally, Special Offers are subject to availability and applicable dates, and are subject to change. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed. When you make a booking, you must pay a nonrefundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional nonrefundable deposit will be required for a Wedding or Cruise & it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

## 4. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period before departure in which you notify us:	Cancellation Charge:
---	----------------------

More than 70 days	Deposit only
70-57 days	30% of holiday cost or deposit if greater
56-29 days	50% of holiday cost or deposit if greater
28-15 days	70% of holiday cost or deposit if greater
14-8 days	90% of holiday cost or deposit if greater
7 days or less	100% of holiday cost.

The above charges may differ for group bookings as well as special promotional offers & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

## 5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under- occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

## 6. IF WE CANCEL OR CHANGE YOUR BOOKING

**(a) Cancellation:** We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

**(b) Changes:** (1) – Changes to the price

We can change your holiday price after you've booked, only in certain circumstances. Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will provide a refund of insurance premiums paid to us if you can show that

you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) - Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation if we cancel or make a major change to your booking

The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Compensation From Us
---	----------------------

More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

You can ask for copies of the travel service contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, London N13 5XT or sales@cyplon.co.uk. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent, (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

## 11. COMPLAINTS

If you have a complaint about any of the services included in your holiday, you must inform our resort representative & the relevant supplier (e.g. your hotelier) without undue delay who will endeavour to put things right.

If it is not resolved locally, please follow this up within 28 days of your return home by writing to our Customer Services Department at [sales@cyplon.co.uk](mailto:sales@cyplon.co.uk) giving your booking reference & all other relevant information. Please keep your letter concise & to the point. It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay & complete a report form whilst in resort. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate & rectify your complaint whilst you were in resort & this may affect your rights under this contract. Please also see clause 10 above on ABTA.

## 12. ADDITIONAL ASSISTANCE

If you're in difficulty whilst on holiday & ask us to help we will provide appropriate assistance, in particular by providing information on health services, local authorities & consular assistance; & helping you to find alternative arrangements & any necessary phone calls/emails. You must pay any costs we incur, if the difficulty is your fault.

## 13. PASSPORT, VISA & IMMIGRATION REQUIREMENTS

Your specific passport & visa requirements, & other immigration requirements are your responsibility & you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

## 14. EXCURSIONS

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

## 15. TRAVEL AGENTS

All monies you pay to the travel agent are held by him on behalf & for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is & continues to be held on behalf of & for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.
