OUR HOLIDAY PRICES

Air fares, hotel rates and other holiday costs fluctuate throughout the year, as do special offers which are changed and updated frequently. In order to avoid any pricing inaccuracies, expired offers and general confusion, we do not display detailed price panels in our brochures as these will change after the brochure has gone to print. Our quoted prices will therefore always be more accurate and more competitive. To obtain a detailed and up to date quotation of your holiday cost, kindly contact your local travel agent or call our friendly reservations team on 020 8340 7612, or visit our website www.cyplon.co.uk for up to date special offers, prices and information.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you unless we deem the price of our competitor to be "not sensible" due to a pricing error. See website for more details.

LOYALTY

To reward our loyal customers, we are delighted to offer a £50 reduction on your next holiday with us, to any of our destinations featured in our brochures. Please note that this discount is only redeemable when booking again via the same Travel Agent.

This combined with the architectural magnificence of Dubrovnik's 16th century walls and Diocletian's Palace in Split, ensure that Croatia is a sensual feast that will excite and delight in equal measure.

“.....
Croatia is becoming one of our most popular destinations, with so much on offer for every type of traveller – from Adriatic Cruises to Luxury Hotels.
.....”

LOCATION

An Eastern European country it has a long stretch of coast on the sapphire waters of the Adriatic Sea. Along this stunning piece of coast are some of the finest tourist destinations in the world, including the Medieval walled city of Dubrovnik and Split. Croatia is also famous for its many islands, replete with magnificent emerald hills, golden sandy beaches and turquoise waters. The inland part of the country is equally beautiful with the Plitvice lakes, especially famous. The capital, Zagreb, is situated inland and the country has a population of just over 4 million people.

WEATHER

The country's climate varies greatly between regions, with the coastal areas that are close to the Adriatic Sea, hotter and drier than the inland areas. The entire country enjoys a Mediterranean Climate, which means that the summers are hot and dry, while the winters are mild and wet. The best time to visit the coast is during the months of June, July & August when temperatures regularly average above 25 degrees & the sea is warm. The hottest area of the country lies around Dubrovnik, which when combined with the vibrant nightlife, beautiful beaches & excellent cuisine, makes it a fine place for a holiday.

CUISINE

The food in Croatia is heavily influenced by its neighbouring countries, not only by land but also some of its neighbours across the water. This gives Croatian cuisine a truly diverse taste. You'll find a distinctive difference between coastal and inland cuisine; with the coast being influenced by Greece, Italy and France and the inland being influenced by Hungarian, Austrian and even Turkish cooking. Visit Croatia and expect a big emphasis on pasta dishes, a lot of passion for freshly caught seafood, a varied use of herbs and spices depending on region, traditional stews and goulash dishes, and grilled meats.

HISTORY & CULTURE

Formerly Yugoslavia, Croatia has close ties to its neighbouring countries, which together were once republics of the former country. With more than fourteen centuries of recorded Croatian history, Croatia is an ideal place for music, art, history and education. The country was first settled more than 100,000 years ago & once played host to Neanderthals, with modern humans probably arriving around 30,000 years ago. During the Iron Age, the country was colonized by a series of Illyrian tribes, who built the first large settlements in the area. Croatia was then settled by the Greeks, passing to the Romans as they gained control of the entire Mediterranean area. This signalled a large period of growth for the area, with structures such as Diocletian's Palace constructed during the Roman occupation in the early 4th century. Dubrovnik gained independence and became a thriving trading nation around this time. Venice ruled much of Croatia for the next 500 years, until it collapsed, and the country got caught up in the Napoleonic Wars. The country joined the Austro-Hungarian empire after Napoleon's defeat, before being a part of the kingdom of the Slavs, between 1918 and 1945, and subsequently joining Yugoslavia in 1947. It remained a part of the Communist country until it collapsed and the civil war that followed led to the creation of many new nations, including Croatia in 1991.

Resorts in Croatia

Croatia has now become one of the most popular destinations to travel to whether for a city break, romantic stay or beach holiday. With fantastic picturesque towns and bustling cities devoured by a rich history and culture, spectacular coastlines and a diverse cuisine influenced by a range of nations, we highly advise island hopping and multi centre breaks to Croatia to really get a taste of this versatile country. Croatia has many unspoilt towns and islands to explore during your holiday and travelling to and from each of those is easy and accessible with local ferries and catamarans on water and our private transfers on land. Experiencing the natural beauty and heritage of this country is essential and a place to return to time and time again.

Terms & Conditions

1. OUR DETAILS
Cyclon Travel LTD (trading as Cyclon Holidays), 246 Green Lanes, London, N13 5XT. Telephone - 020 8340 7612 - E-mail – sales@cyclon.co.uk

2. YOUR HOLIDAY BOOKING
A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept & do accept on behalf of your party the terms of these booking conditions.

3. PAYING FOR YOUR HOLIDAY
Any prices shown in our brochure are for guidance only. We adopt a completely fluid method of pricing our holidays (ie our prices may change second by second to reflect ever changing airfares, hotel rates etc.). Additionally, Special Offers are subject to availability and applicable dates, and are subject to change. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed. When you make a booking, you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise & it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure, full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

4. IF YOU CANCEL YOUR HOLIDAY
You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period before departure in which you notify us:	Cancellation	Charge:
More than 70 days	Deposit only	
70-57 days	30% of holiday cost or deposit if greater	
56-29 days	50% of holiday cost or deposit if greater	
28-15 days	70% of holiday cost or deposit if greater	
14-8 days	90% of holiday cost or deposit if greater	
7 days or less	100% of holiday cost	

The above charges may differ for group bookings as well as special promotional offers & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

5. IF YOU CHANGE YOUR BOOKING
If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels, this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

6. IF WE CANCEL OR CHANGE YOUR BOOKING
(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) – Changes to the price

We can change your holiday price after you've booked, only in certain circumstances. Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will

provide a refund of insurance premiums paid to us if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) – Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

- We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation if we cancel or make a major change to your booking
The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Compensation From Us:
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us.
