Tenerife, Canary Islands

# Canary Island Holidays

A holiday to the Canary Islands is like an adventure to the farthest flung corner of the Spanish territories, but just a stone throw's away from North Western Africa's coastline; a real mix of cultures from a cluster of islands offers seclusion, dreamy coastlines and a unique culture making you feel like it's a whole destination of its own. Gran Canaria, Tenerife, Lanzarote, Fuerteventura, La Palma and La Gomera are islands far from the rest of Spain's mainland and Balearics, offering something a little bit different from the norm. For some, it's the paradisiacal beaches and 5 star luxury resorts that really draw them into the Canaries dream; for others, it's the dramatic volcanic landscapes and the promise of endless nature trails across the islands' stunning national parks that really makes it.

“.....  
*An all-year-round destination,  
with each island having it's own unique  
character and culture...*.....”

## LOCATION

The Canary Islands are a Spanish archipelago that are nestled in the Atlantic Ocean off the northwest coast of Africa. They were formed by volcanic activity between 30 and 70 million years ago, meaning that the majority of them are characterized by beautiful coastal beaches and geologically fascinating inland areas. The largest of the islands is Tenerife dominated by Mt. Teide, which is the tallest peak in all of Spain, closely followed by Fuerteventura. Gran Canaria and Lanzarote.

## WEATHER

The Canaries are characterized by their warm climate that doesn't change much throughout the year. This means that temperatures generally exceed 20 degrees between April and October, with the coldest month, January having an eminently pleasant average of 18 degrees. This means that visitors will be able to swim and enjoy their many beautiful beaches all-year-round. The hottest month on most of the islands is August, when temperatures average 24-26 degrees, depending on which island you visit.

## HISTORY & CULTURE

Having been inhabited since pre-Roman times, historians have long been speculating that the original residents migrated from North Africa. However, their existence was forgotten for more than 1000 years, after the fall of the Roman Empire, until they were rediscovered by Spanish Conquistadors in the late 14th century. From then on, the marauding invaders gradually brought each island under the dominion of the Spanish Crown, with Fuerteventura, falling in the early 15th century and Tenerife being the final domino in 1496. From then on, they were ruled from Spain.

## CUISINE

Canarian cuisine, varies slightly from island to island, however there are plenty of dishes that they share in common. The most popular of these is Papas Arrugadas, which are whole potatoes that are boiled in seawater, giving them wrinkly skin and a salty flavour that all visitors are bound to enjoy. The islanders are also massive fish eaters, with a variety of large fish cooked and usually drizzled with a healthy dose of either mojo rojo or mojo verde the two most popular sauces throughout the Canaries. Various islands have their own cheeses, which are usually made with either goat's milk or sheep's milk.

# Tenerife Holidays

Tenerife attracts more than 10 million visitors for a reason, offering a gorgeous yearlong climate, stunningly beautiful beaches and a bubbling nightlife. This is largely situated in the southern part of the island, with resorts like the island’s capital Santa Cruz and Costa Adeje, renowned for offering everything that a visitor could ever want from their beach holiday. Yet it is also a land of contrasts, with the volcanic area that surrounds the now dormant Mt. Teide, a beautiful & isolated area, crammed full of interesting geology & unique wildlife. A great place for family holidays, as it is for couples or those on group holidays, you will find everything from beachfront resorts and lavishly appointed hotels to volcano adventures, impressive national parks & lively nightlife.

## GUÍA DE ISORA

On the south-west of Tenerife, Guía de Isora is a municipality made up of 17 villages. Its historic quarter was declared an Asset of Cultural Interest for its Canarian architecture and its traditional elements. Along the coast there are bathing areas & places of interest.

Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

**5. IF YOU CHANGE YOUR BOOKING**  
If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels, this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

**6. IF WE CANCEL OR CHANGE YOUR BOOKING**  
(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) – Changes to the price

We can change your holiday price after you've booked, only in certain circumstances. Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will

provide a refund of insurance premiums paid to us if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) – Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation if we cancel or make a major change to your booking  
The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Compensation From Us:
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, & this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: you or another member of your party; or a third party unconnected with the provision of the travel services in the package & is unforeseeable or unavoidable; or unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to

a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; & b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail & the Paris Convention in respect of the provision of accommodation, which limit the amount of & conditions under which compensation can be claimed for death, injury, delay to passengers & loss, damage & delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices at Cyclon Holidays, 246 Green Lanes, London N13 5XT or sales@cyclon.co.uk. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be published at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

## 8. PROTECTING YOUR MONEY

We provide full financial protection for our package holidays.

1. For flight-based holidays this is through our Air Travel Organiser's Licence number 0891 issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you & who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations & you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL

holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

2. When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA.
