OUR HOLIDAY PRICES

Air fares, hotel rates and other holiday costs fluctuate throughout the year, as do special offers which are changed and updated frequently. Our quoted prices will therefore always be more accurate and more competitive. To obtain a detailed and up to date quotation of your holiday cost, kindly contact your local travel agent or call our friendly reservations team on 020 8340 7612, or visit our website www.cyplon.co.uk for up to date special offers, prices and information.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you unless we deem the price of our competitor to be "not sensible" due to a pricing error. See website for more details.

LOYALTY

To reward our loyal customers, we are delighted to offer a £50 reduction on your next holiday with us, to any of our destinations featured in our brochures. Please note that this discount is only redeemable when booking again via the same Travel Agent.

Abu Simbel features two extraordinarily large temples which were created throughout the ruling of Ramesses II and were built to celebrate Ramesses' victory over the Hittites at the Battle of Kadesh in 1274 BC and as a lasting monument to his queen Nefertari. The complex forms part of the UNESCO World Heritage Site known as the "Nubian Monuments". Morocco Holidays

Forming the north-west shoulder of the African continent, Morocco is a melting pot of Berber, Arabian and European cultures and influences. This exotic blend gives Morocco a truly unique identity with nowhere in the world quite like it. The diversity found within Morocco is astonishing, with the ever bustling city of Marrakech, beach side towns of Agadir and Essaouira, the expansive Sahara desert and the indomitable and breathtakingly beautiful Atlas Mountains, not to mention other historical and cultural highlights including Fès, Casablanca and Rabat.

“.....
A place of mystical magic, Morocco has that special something which just cannot be described by words – you have to experience it!.....”

LOCATION

A North African country, it is located directly opposite Europe, with the Atlantic Ocean on one side and the Mediterranean on the other. It has always been a cultural melting pot, with its traditional Berber culture having been influenced by both European and Arabian culture. Its most famous cities are Marrakesh, which sits at the foot of the Atlas Mountains; its capital of culture Fès; its largest and richest city Casablanca and its capital Rabat. Morocco is a medium-sized country with a population of just under 34 million.

WEATHER

Morocco has a diverse climate that reaches highs of 35 degrees and lows of 5 degrees (in the Sahara). Places like Agadir on the coast tend to have a more Mediterranean feel with hot summers and mild wet winters. Inland the weather tends to be hotter with less wind, meaning that Marrakesh is delightful in the Spring and Autumn and red hot during July and August. The peaks of the Atlas Mountains tend to be snow-capped throughout the year, although the slopes can be hot in the summer months.

CUISINE

The country is blessed with one of the richest culinary traditions in the world, with its traditional Berber cuisine having been influenced by Spanish, Mediterranean and Arabic foods. It is probably most famous for Tagines, a traditional clay cooking pot which is used to make bubbling stews, flavoured rice and much more. Couscous is also an incredibly famous Moroccan export, a rice dish traditionally flavoured with onions and garlic. In terms of street food, visitors can enjoy things like kebabs and grilled sardines, alongside the local staple, Makouda, a spicy broth that is ubiquitous across the country.

HISTORY & CULTURE

Having been inhabited since pre-historic times, its first recorded people were nomads who interacted with Phoenician traders. They described these Nomads as Barbarians, which is where the derivation ‘Berber’ originates from. It was conquered by the Romans, who built the large city of Volubilis, although the locals always detested the Romans and were a constant thorn in their side. The local population converted to Islam during the middle of the 7th century, although it tended to be less traditional and strict than the Eastern Arab’s variation. Morocco was then dominated by dynasties for the next 1000 years, with the Idrissid state founded in 829, giving way to the Almoravids in the 11th and 12th centuries. The Almohads were prominent in the 12th and 13th, who were followed by the Merenids in the 13th, 14th and 15th, with the Saadians and Alawites dominating up until this day. It became a French protectorate in 1912, which lasted until it was given independence in 1956. Each of the countries and empires from Morocco’s interwoven history exert palpable influence on Moroccan music, cuisine and culture. For example, French has remained Morocco’s unofficial third language following its period as a French protectorate in the early 20th century.

Resorts in Morocco

A place of mystique and exoticness Morocco surprises at every turn. Its rich history and culture oozes from its impressive architecture, incredible cuisine, fine artistic décor and all woven beautifully in each individual you meet. It boasts a range of diverse resorts from bustling cities with souks and endless colour, relaxing cities with charm and character, beachside resorts glowing under the sun and impressive mountain retreats to escape to and connect with nature. Egypt Holidays

Egypt is an incredible holiday destination, offering everything a visitor could ever ask for. Try soaking up the Eastern atmosphere in the souks or experiencing ancient history up close and personal, examining gigantic hieroglyphs for yourself. If you'd rather indulge in a little pampering, relax in tranquillity by the azure sea before enjoying an aromatic massage in one of their world-class spas, on your spa holiday. Its main cities are dotted along the banks of the magnificent River Nile and feature a vast array of majestic monuments, including the Great Pyramid of Giza, the only remaining ancient wonder of the world; The Great Sphinx, a massive half-lion, half-man sculpture and the Temple of Karnak, one of the largest and best-preserved temple complexes in the world.

“.....
***A country with everything!
From the history of the ancient sites to
the wonders of the underwater
world of the Red Sea!***.....”

LOCATION

Egypt is situated in the northeast of Africa, linking the continent with the Middle East. It is bisected by the famous River Nile that runs the length of the country. It also offers access to the beautiful waters of the Red Sea, famed for the incredible variety of marine life that lives there. Its most famous historical monuments are located on the banks of the River Nile, including the famous pyramids, the Great Sphinx and the temple of Karnak. Its capital is Cairo, which is situated on the Nile and lies just a few kilometres from the aforementioned pyramids. It is a large country with a population of more than 95 million.

WEATHER

The weather in Egypt varies from surprisingly cold to very hot. This desert like weather, means that there is little rain and visitors need to be more worried about the heat of the sun. Inland places like Cairo and Luxor can get very hot during the summer months, with temperatures that regularly exceed 30 degrees. The same is true of the coast, although there, visitors can cool themselves off in the azure waters of the Red Sea. The best time to visit is between April-May and September-November, when it is hot without being extremely hot.

CUISINE

It has been famed since ancient times for its ability to produce cereals, with bread & rice crucial to the Egyptian diet up until this day. The most popular dish is Koshary, which is made out of rice, macaroni and lentils and is coated in a special tomato sauce. Fitteer is Egypt's version of pizza, where they layer filo pastry on top of each other & can be ordered either sweet or savoury depending on your preference; Ful wa Ta'meya (Fava Beans & Falafel), is the Egyptian version of fast food, whilst Kabab wa kofta (Grilled meats) is served with Mediterranean garnishes. These & a whole host of other delicious dishes make the gastronomic identity of Egypt.

HISTORY & CULTURE

The country's history is long and rich dating back further than the vast majority of countries. It is intrinsically linked to the fertile land around the River Nile, with the Ancient Egyptians realising that if they planted their crops close to it, then they would grow thanks to its regular floods. This made the Egyptians richer and more powerful than the vast majority of societies in the ancient world and allowed them to build many of the incredible monuments that they are now famous for. Egyptians created language in the form of hieroglyphics and built incredible monuments to their pharaohs, including the Great Pyramid of Giza, which is the only remaining ancient wonder of the world. Egypt was eventually conquered in 330 BC by Alexander the Great and came under the influence of his Ptolemy following the wars of the successors. They ruled for the next 300 years, with the last and most famous in the dynasty, being Cleopatra, who charmed both Julius Caesar and Marc Anthony. By then Egypt was a Roman protectorate, a state of affairs that lasted until the end of the empire, whereupon, it fell under Arab rule after the Muslim conquests. It then passed to the Ottomans, before, becoming a part of the British Empire, until it received its independence.

Terms & Conditions

1. OUR DETAILS

Cyplon Travel LTD (trading as Cyplon Holidays), 246 Green Lanes, London, N13 5XT. Telephone – 020 8340 7612 – E-mail – sales@cyplon.co.uk

2. YOUR HOLIDAY BOOKING

A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept & do accept on behalf of your party the terms of these booking conditions.

3. PAYING FOR YOUR HOLIDAY

Any prices shown in our brochure are for guidance only. We adopt a completely fluid method of pricing our holidays (ie our prices may change second by second to reflect ever changing airfares, hotel rates etc.). Additionally, Special Offers are subject to availability and applicable dates, and are subject to change. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed. When you make a booking, you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise & it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure, full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

4. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period before departure in which you notify us:	Cancellation	Charge:
More than 70 days	Deposit only	
70-57 days	30% of holiday cost or deposit if greater	
56-29 days	50% of holiday cost or deposit if greater	
28-15 days	70% of holiday cost or deposit if greater	
14-8 days	90% of holiday cost or deposit if greater	
7 days or less	100% of holiday cost	

The above charges may differ for group bookings as well as special promotional offers & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels, this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

6. IF WE CANCEL OR CHANGE YOUR BOOKING

(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) – Changes to the price

We can change your holiday price after you've booked, only in certain circumstances: Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will

provide a refund of insurance premiums paid to us if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) – Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation if we cancel or make a major change to your booking The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Compensation From Us:
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

7. OUR LIABILITY TO YOU

You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, & this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: your or another member of your party; or a third party unconnected with the provision of the travel services in the package & is unforeseeable or unavoidable, or unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to

a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; & b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail & the Paris Convention in respect of the provision of accommodation, which limit the amount of & conditions under which compensation can be claimed for death, injury, delay to passengers & loss, damage & delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, London N13 5XT or sales@cyplon.co.uk. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

8. PROTECTING YOUR MONEY

We provide full financial protection for our package holidays.

1. For flight-based holidays this is through our Air Travel Organiser's Licence number 0891 issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you & who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations & you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL

holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

2. When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA.
