Supply us with your guest list and Cyplon Holidays will ensure a hassle-free experience of arranging all your party's travel arrangements. Of course, your guests may want to stay in a different hotel, and we can organise that too – some hotels will even offer the bride and groom some attractive discounts if their guests also book (See pages 14 & 15 for our wedding packages).

WHAT WE OFFER

Cyplon Holidays can offer a wealth of options for your celebration – Civil Ceremonies, Anglican Church Ceremonies, Catholic Church Ceremonies & Renewal of Vows are all available in most resorts, and in many cases, these can conveniently take place within your hotel. We also offer some fantastic venues that take place out of your chosen hotel.

RECEPTIONS

Receptions are surprisingly inexpensive in Cyprus and Greece, and our hotels will cater to your every need. Whether it is drinks with canapés or a sumptuous five-course meal with silver service, most hotels can provide a choice of locations, both indoor and outdoor. Whatever your wishes, we will put you in direct contact with your hotel's banqueting manager, who will extend every effort in making your reception a memorable occasion.

Frequently Asked Questions

At Cyplon Holidays we celebrate the beauty of individuality – As a tailor-made specialist, and taking advantage of our many years of experience, we can guide you towards a wedding that will match your own specific needs and desires.

Q: We want to decide which resort and hotel to stay in and obtain a holiday cost, where shall we start?

A: Contact Cyplon Holidays or visit your local travel agent and ask for a brochure, costs in this wedding brochure are purely for wedding packages. weddings@cyplon.co.uk

Q: Are weddings performed abroad legally recognised in the UK?

A: Yes, the marriage certificate that will be issued to you is recognised as if it had been issued in the UK.

Q: What about family & guests that wish to come, can you organise this?

A: We will be more than happy to arrange the travel for your family and guests – if there is a large party travelling some hotels offer group discounts. Take advantage of our Hassle-free guest list – we will arrange all of your guests' travel arrangements & keep you informed of their progress.

Q: As we want to tailor make our wedding day, how do we book optional extras such as videos, photography, hairdressing, make-up etc?

A: All you need to do is speak to our wedding co-ordinator who will give you the costing for whichever elements you wish to add. Should you want to add something else, this can easily be arranged by your personal wedding co-ordinator and paid for locally.

Q: How do we transport our wedding outfits?

A: We recommend that wedding outfits are packed carefully in a hard-shelled case, and are transported in the hold of the aircraft. Alternatively, they can be packed in a suitable box and taken onboard as part of your baggage allowance. Complimentary additional baggage allowance is not customarily allowed, although we can always request this from the relevant airline on your behalf.

Q: Is there a specific time of the year when we can get married?

A: Weddings can take place at any time of the year, however most weddings take place Monday to Friday, with weekends available upon request. Our wedding co-ordinator will be able to advise you on the best months to travel.

Q: Can we choose our own music for the ceremony?

A: Yes, usually this can be arranged, as long as it is suitable.

Q: Do we need to arrange additional insurance for our wedding?

A: We trust everything will go smoothly on your wedding day, however we would always advise to take out wedding and travel insurance.

Q: Can the wedding date and time be confirmed before we depart?

A: Yes, your wedding date and time is confirmed at the time of booking. You do need to register your intent to marry in the resort, however, this rarely changes the arranged times.

Cyplon Holidays operates a holistic approach to its Weddings service. From start to finish we will be there to provide all the support and guidance required to ensure a smooth and thoroughly enjoyable day for you and your guests. But the celebrations do not have to finish as the party comes to an end – Let us add the cherry on top by arranging you a honeymoon of a lifetime to any one of our featured destinations.

Wedding Types

As pioneers of “Tailor Made holidays”, we can claim with some pride to have been tailoring holidays and weddings before the term was even coined by the travel industry. With Cyplon Holidays, you will experience an unrivalled level of choice and flexibility – always ensuring that your dream day is perfectly unique and completely individual to you and your desires.

CIVIL CEREMONIES

The local Mayor or Marriage officer will conduct the ceremony in English and all the paperwork and the Marriage Certificate will be issued. A civil ceremony is recognised in the United Kingdom.

RELIGIOUS CEREMONIES

You are spoilt for choice with our incredible church weddings, available either in our hotel Chapels or one of the local churches nearby. Most chapels have beautifully decorated interiors, many with the local traditional icons and stain glass windows, thus enhancing your ceremony with a truly spiritual air. Please note that Catholic weddings must be preceded by a civil wedding in the local Town Hall.

RENEWAL OF VOWS AND BLESSINGS

If you’re already married, what better way to celebrate your long lasting love together than by re-affirming your commitment to one another and reliving your most special day by renewing your sacred wedding vows? A Renewal of Vows ceremony is similar to that of a wedding ceremony and we can make this as lavish or as intimate as you choose it to be.

SAME SEX CEREMONIES

We are delighted to offer same-sex symbolic ceremonies in Cyprus and in Santorini in Greece. For further information please call our Weddings Team on 020 8340 7612 or email us at: weddings@cyplon.co.uk.

TOWN HALL & OUTDOOR

Civil marriages would usually take place at the local Town Hall however, in some resorts these can be performed at a hotel or another venue. Wherever you decide to have your ceremony, they will offer both indoor and outdoor locations for your special day.

HOTEL GROUNDS AND BEACH

Several of our hotels have specially designated rooms and delightfully decorated outdoor ‘wedding decks’ and marquees, many of which are beside the beach overlooking the sea and where the ceremony can take place. A religious blessing following your civil ceremony can also be arranged for you and in some cases, the religious ceremony can take place on the grounds of your hotel. Please ask our Weddings team for more information.

YACHT WEDDINGS

If it is a truly unique wedding experience that you’re after, why not get married on board a luxury yacht and sail away into the sunset for your wedding reception? We can offer an extensive choice of luxury yachts that can cater for all the fun and entertainment that you could wish for if you were to have a wedding on land or at sea. This will no doubt be a wedding that you and your guests will never forget.

Weddings in Cyprus

Cyprus is the ultimate wedding destination, with its incredible azure crystal-clear waters, picture-perfect locations, luxurious properties and delectable cuisine and hospitality; all seamlessly merging together to create memories that will last a lifetime.

With only a short flight and affordable wedding venues, you can look forward to breath-taking views of the ocean and a selection of romantic and intimate spots for you to tie the knot; after all the Greek Goddess of Love & Beauty, Aphrodite, chose the island as her birthplace, emerging from the sea at the bay of Petra tou Romiou (Aphrodite's Rock), a must-see site at sunset.

Cyprus is the third largest island in the Mediterranean boasting unrivalled Blue Flag beaches, and a heavenly gastronomy to indulge in. With just a 4hr drive between the West and East coast of the island, discovering its romanticism and spellbinding heritage is unavoidable; Cyprus oozes with romanticism, elegance and culture at every turn.

ANGLICAN WEDDINGS IN CYPRUS

An Anglican Church Wedding ceremony can be held in a number of churches and chapels across the island. Some hotels even boast their own chapels, in which an Anglican ceremony can be held.

In Paphos, couples can marry in the ancient church of Agia Kyriaki or the authentic St. George's church. Limassol offers the traditional St Barnabas church and in Larnaca, there is the church of St Helena, with its excellent location in town, offering easy access to the famous Larnaca promenade. The quaint chapel of Agios Constantinos is also an option in Derynia, a large village near Paralimni.

Whilst the more traditional church/chapel options are plentiful, you also have the opportunity to marry on the grounds of some of our beautiful hotels. Some of our top recommendations to look at for hotels with their own chapel are:

- **Adams Beach Hotel, Ayia Napa**
- **Elysium Hotel, Paphos**
- **Four Seasons Hotel, Limassol**
- **Elias Beach Hotel, Limassol**
- **Parklane, a Luxury Collection Resort & Spa, Limassol**
- **St Raphael, Limassol**

Please also note that there are other hotels available, without their own chapel, in which you can have an Anglican ceremony on the hotel grounds. Call our weddings team today for more information.

The Anglican church requires that at least one member of the wedding couple has been baptised as a Christian but will, however, marry people who have been previously divorced, unlike the Catholic Church. On arrival at the resort, your Cyplon Holidays Wedding co-ordinator will ensure that you meet with the Church Verger, as well as the Reverend performing your ceremony, to discuss the sacrament of marriage and your future lives together as a married couple. In some of the larger churches it may be possible to organise an organist and a choir, however, this would be on a request basis.

CATHOLIC WEDDINGS IN CYPRUS

A Catholic Wedding in Cyprus can be held in a number of different churches and chapels or, if you prefer, there are some hotel options which boast a chapel capable of holding a Catholic Ceremony.

In Paphos, we recommend looking at Agia Kyriaki Church, with its backdrop of Roman ruins and mosaics, or the traditional Church of St George's. In Limassol, the stunning St Catherine's Catholic Church boasts an 80sqm Byzantine painting, as well as being ideally located on the seafront. In Larnaca, we suggest the striking Terra Santa Church.

For a Catholic Wedding in Cyprus, it is also possible to hold your ceremony on the grounds of some of our incredible hotels. The hotels that offer this possibility, with their own chapel, are:

- **Elias Beach Hotel, Limassol**
- **Elysium Hotel, Paphos**
- **St. Raphael Resort, Limassol**

Unlike the Anglican Church, a Catholic Ceremony must be held within a chapel or a church, as approved by the Catholic Church. This means that it is not possible to have a Catholic Ceremony held outside.

The requirements for a Catholic Wedding do differ to that of the Anglican Church and require that both members of the wedding couple have been baptised, with at least one of them being Catholic. If only one member has been baptised, then special permission would need to be sought. The Catholic Church will also not grant a marriage if one member of the couple has been previously divorced.

The Catholic wedding ceremony must be preceded by a civil ceremony in order to be classified as a legally binding marriage in the UK. Some couples choose to include the civil ceremony as part of the day's celebrations, however others may prefer a low-key affair, treating it as just a formality. Due to the specific nature of paperwork required for this type of ceremony, we recommend that all paperwork is in order at least six months in advance. Please view our legalities section for further information before proceeding with a Catholic Ceremony. Our wedding department will also give you the full procedural details and ensure that you understand what paperwork is required from your local Parish and Diocese

CIVIL WEDDINGS IN CYPRUS

A Civil Wedding in Cyprus offers the most amount of choice for a wedding venue. From exotic beach-side locations, fabulous hotel grounds, breath-taking outdoor venues and even local town halls, you are truly spoilt for choice. For the more adventurous couple, we also offer the possibility of getting married on a luxurious yacht.

In Paphos, take a look at the Ethnographical Museum with its exquisite outdoor gardens, or Paphos Town Hall, with its Neoclassical design and large Greek columns, or perhaps even the traditional Peyia Village venue, with its stone staircase. In Ayia Napa, we have Ayia Napa Town Hall, which is tastefully decorated and ideal for small weddings. There are so many fantastic venues for a Civil Ceremony in Cyprus – be sure to ask our wedding specialists for the full list and their recommendations.

Civil marriage ceremonies are conducted in English and the marriage certificate is issued immediately after you tie the knot. The ceremony is effortless and provides a very good value choice for couples who want a more modern and practical way of saying “I do”.

RENEWAL OF VOWS IN CYPRUS

One for the hopeless romantics out there – a renewal of vows in Cyprus is the perfect way to re-affirm your love and commitment to one another against a backdrop of sunshine and crystal-clear waters. Perhaps you are celebrating a special anniversary or maybe you just want the opportunity to say “I love you” all over again – whatever the reason, here at Cyplon Holidays, we have an abundance of incredible options for your special celebration. We offer both religious (Anglican) and non-religious renewal of vows ceremonies.

An Anglican Renewal of Vows can be arranged in Cyprus and follows a very similar format to that of an Anglican Wedding Ceremony. One member of the couple must be Anglican and the Priest will require confirmation that they have been baptised. Additionally, the couple must provide their marriage certificates. The venues available to hold these ceremonies are precisely the same as those sanctioned for an Anglican Wedding ceremony.

We can also offer non-religious Renewal of Vows ceremonies, and while it is not recognised by any legal authority, you will be provided with an official certificate. These are conducted by celebrants and you may choose any of our venues, apart from churches, chapels or town halls.

BEACH WEDDINGS IN CYPRUS

The sun is shining, the beach is glistening and the crystal-clear waters of the Mediterranean Sea crash against the shore with excitement. A beach wedding in Cyprus is truly something to behold and, in our opinion, this is the most romantic way to tie the knot.

Many of our available hotels offer unique and picturesque locations right on the beach with some offering exclusive use of a pier that gives you the impression of floating on the ocean while others provide special “wedding decks”. Call our weddings department today to find out more about our fantastic beach weddings in Cyprus and to hear more about the possible venues both in and outside of hotels.

YACHT WEDDINGS IN CYPRUS

Not all weddings have to be the same and with our incredible Yacht Ceremonies and receptions you will have the opportunity to wow your guests as you celebrate, surrounded by the crystal-clear waters of the Mediterranean Sea. A yacht ceremony is one of the most unique and intimate ceremonies you can have.

Both civil and religious (Anglican only) ceremonies are possible on board one of the luxurious yachts and we can also arrange Renewal of Vows and Blessings. A full range of packages are available and there is also a great deal of flexibility allowed, meaning you can add all the finishing touches your heart desires – this is very much a tailor-made option for you to enjoy.

GREEK ORTHODOX WEDDINGS IN GREECE

A Greek Orthodox Wedding is a beautiful ceremony for couples who have been baptised in a Greek Orthodox Church and wish to celebrate their union in a traditional way. A Greek Orthodox Wedding usually lasts up to an hour, with several parts of the service taking place, including the exchange of the rings, the candle lighting, the crowning with the traditional 'Stefana'/crowns, readings from the Holy Bible, drinking of the common cup, the ceremonial walk and the affirmation of husband and wife. Following your wedding ceremony, you will continue your celebration at your reception dinner, where there is dancing, including the money dance, where guests pin money on the newly married couple's clothes.

Legalities & Documentation

You may rest assured that weddings in Cyprus are perfectly legal. By Cyprus law, your hotel must be located in the same town in which your marriage will take place. Both Bride and Groom must be in Cyprus for at least 5 working days before the wedding can take place. Cyplon Holidays, therefore, recommend booking a 2-week holiday so that the wedding can be easily accommodated during the second week of your stay.

ALL WEDDINGS IN CYPRUS

The ceremony will be conducted in English and all paperwork and your Marriage Certificate will be issued in English. Two witnesses will be required in accordance with Cyprus law and we will be happy to provide these should the couple be alone in Cyprus. Before the wedding day, the couple visits the local Registry Office, with all relevant documents, to register their intention to marry. Wedding License Fee from €282, payable locally.

CIVIL WEDDINGS

These typically take place between 10 am and 2 pm, Monday to Friday (except Public Holidays), in the Town Hall local to your Cyprus resort and are conducted by the Mayor or Registrar. In-hotel civil weddings can take place after and at weekends at an extra charge. The ceremony is very similar to that in the UK. In-hotel registrar’s fees vary from €130 – €712, payable locally.

Please note that in order to get married in Greece the couple must be a resident in the country for 5-7 days (Dependant on which resort/ island you choose), allowing you the opportunity to meet the registrar and finalise arrangements. It will also be necessary to take translated documents, sanctioned by the Foreign and Commonwealth Office. Please see our legalities section for more details or call our wedding’s department today for further information.

ANGLICAN WEDDINGS

A meeting with the minister will be arranged prior to your wedding day to discuss the service and any special requirements you may have. Persons of divorced status must produce original decree absolute. At least one of the couple must present a Christening or Baptism certificate. The Anglican Church in Cyprus will require the name of your local church in the UK, so that they may inform them of your marriage, as a matter of diplomacy. Church and Minister’s fees are payable locally and vary from €200 – €650.

CATHOLIC WEDDINGS

A civil ceremony, conducted by the local mayor or registrar, must precede the religious service for Catholic weddings, although this does not have to happen on the same day. The Catholic couple must visit their local priest in the UK and inform him of their intention to marry in Cyprus, in order for documents, in addition to those mentioned below, can be prepared. These include certificates of Baptism for both Bride and Groom. Their local priest will then send these to the priest conducting the service in Cyprus. Couples staying in Ayia Napa have their civil ceremony locally, but their religious service is held at the Terra Sancta Catholic Church in Larnaca. Church and Priest’s fees are payable locally and vary from €200 – €650.

RENEWAL OF VOWS IN CYPRUS

Couples can renew their vows if they are only in Cyprus for 3 nights or more as there is no legal paperwork to complete, so clients do not need to go to the Town Hall. They would only require bringing their marriage certificate with them, that is all! The Celebrant who conducts the service charges from €275. Once it is booked the Celebrant contacts the couple to discuss their ceremony and they will also ask for a deposit to secure the date.

RESIDENCY BEFORE CEREMONY

In Cyprus, you must be at the resort for at least 3 working days, although we recommend at least 5 days if you are having a religious ceremony, as it gives you more time to relax prior to the wedding and tie up any loose ends. In Greece, you must be at the resort 5-7 days prior to the ceremony, dependent on which resort you are getting married in.

BIRTH CERTIFICATES

Full A4 birth certificates are required (the long version is required, as it has parents’ names etc- please note the short version will not be accepted.). An original birth certificate and a ‘Certified Copy’ of it must be obtained from your local Town Hall.

SWORN AFFIDAVIT – FOR CYPRUS

A Sworn Declaration/Affidavit that declares you legally free to marry is required and must be signed and STAMPED by a solicitor. This cannot be more than 3 months old prior to the wedding – Please be advised, it does not need to be on a solicitor’s letterhead. Non- British Citizens will require a Freedom Certificate from their country’s Department of Foreign Affairs or its Embassy in the UK.

IF UNDER 18 – FOR CYPRUS

Written consent of parent/guardian is required on sworn affidavit form for anyone under the age of 18 years of age

CERTIFICATE OF NON-IMPEDIMENT – FOR GREECE

These documents are granted for two British subjects to marry overseas. These are issued from your local Town Hall. They must be dated within 3 months of the marriage date. Please note: On these documents – in Box No: 7 – it asks: ‘District and Country in which the marriage is to be solemnized’. It must state: The town, island and country. These documents may take up to one month to be issued.

ADOPTION CERTIFICATE – IF APPLICABLE

If adopted – an adoptive birth certificate is issued. This document does not state the maiden name of the adoptive mother (it is not asked for on the document), but it is a legal requirement for the Registrar’s records in Cyprus/Greece, so a further document can be completed at the resort, called: ‘A Declaration Form’. There is a charge for this – payable locally to the Registrar at the briefing.

PASSPORTS FOR CYPRUS

All names on the Passports/Birth Certificates/Certificate, should match. The Bride travels under her maiden name for both journeys to coincide with her passport. Also, Passports must be presented to the Wedding co-ordinator upon arrival, at the resort. Passports must have 6 months or more left on them from the date of their return to the UK. In addition, copies of both witnesses’ passports are required too.

PASSPORTS FOR GREECE

All names on the Passports/Birth Certificates/Certificate of ‘No Impediment’, should match. The Bride travels under her maiden name for both journeys to coincide with her passport. Also, Passports must be presented to the Wedding co-ordinator upon arrival, at the resort.

Legalities & Documentation (cont.)

IF DIVORCED

An original ‘Decree absolute’ is required (Carrying a red or black sealed court stamp). In the case where one of the parties is divorced or their marriage has been annulled, documentary evidence is required. Once the divorce or annulment has been made final, the court issuing the proceedings will release a decree absolute. The court retains the original documents and a ‘certified copy’ is issued to one of the two parties. Further ‘certified copies’ can be obtained from the court, in person or in writing. Please Note The Catholic Church will not grant a marriage if one member of the couple has been previously divorced.

IF WIDOWED

A Death Certificate and previous marriage certificate is required. Original documentation is required.

DEED POLL CERTIFICATE - NAME CHANGE

If a name has been changed by a deed poll, written proof must be obtained. The document must state: the full name and address of the Solicitor and the practice, as well as the signature of the Solicitor or from the court authority or recognized notary who issued the document. If previously married and have reverted to your maiden name, this constitutes a name change and therefore proof is required in the form of a deed poll or an affidavit. This document must be stamped and signed by a solicitor and must be on a letter headed paper or have a compliment / business slip attached.

LEGALISING & TRANSLATING YOUR DOCUMENTS - FOR GREECE

In Greece, when you have obtained all your original documents, you must send them to be legalized and translated. We can recommend someone we use for all our wedding documentation and, we can send you more information regarding this service, when required.

Once received, this means they are stamped, permitting you to leave the UK and you’re able to use them overseas. It is advisable when posting the documents to use ‘Registered Post’, so you can keep a record of their movements within the postal system.

NOTE:

Further legalities for the Greek Islands may be required and are available on request. Non-British passport holders will need to contact their relevant Embassy to obtain details of additional documentation that may be required.
