AWARD WINNING

Cyplon Holidays has received many awards in its history since it was established in 1972. We have recently been recognised by the travel industry at the Travel Bulletin Star Awards Ceremony with the fantastic achievement of "Leading Independent Tour Operator to the Mediterranean 2015" making us consecutive winners, having won the award in 2012, 2013 and 2014. In 2017, we were again rewarded with the great honour of the "Leading Tour Operator for Family Holidays" award.

WE ARE AITO MEMBERS

Cyplon Holidays is a proud member of the Association of Independent Tour Operators. AITO represents Britain's leading independent tour operators and demands high standards of quality and service. Cyplon Holidays abides by AITO's Code of Conduct and adheres to the AITO Quality Charter.

FLIGHTS FROM REGIONAL AIRPORTS

Whether it is scheduled, no frills or chartered airlines that you wish to travel on, we can meet all of your requirements, as we can offer you all available flights from any Regional UK Airports. Pre-booked upgrade services are also available and we can even arrange an airport lounge-pass for you, if you wish to avoid the commotion and start your relaxation straight away. Speedy/Priority boarding and even in-flight meals (on no frills airlines) can also be arranged with our Reservations Staff.

CYPLON REPRESENTATIVES

The Cyplon Family does not just reside in the UK, it extends abroad – Our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. Generally we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your Resort & its surroundings. You will also be provided with an around-the-clock point of call – in case you need any additional assistance whilst on your vacation.

PRIVATE TRANSFERS

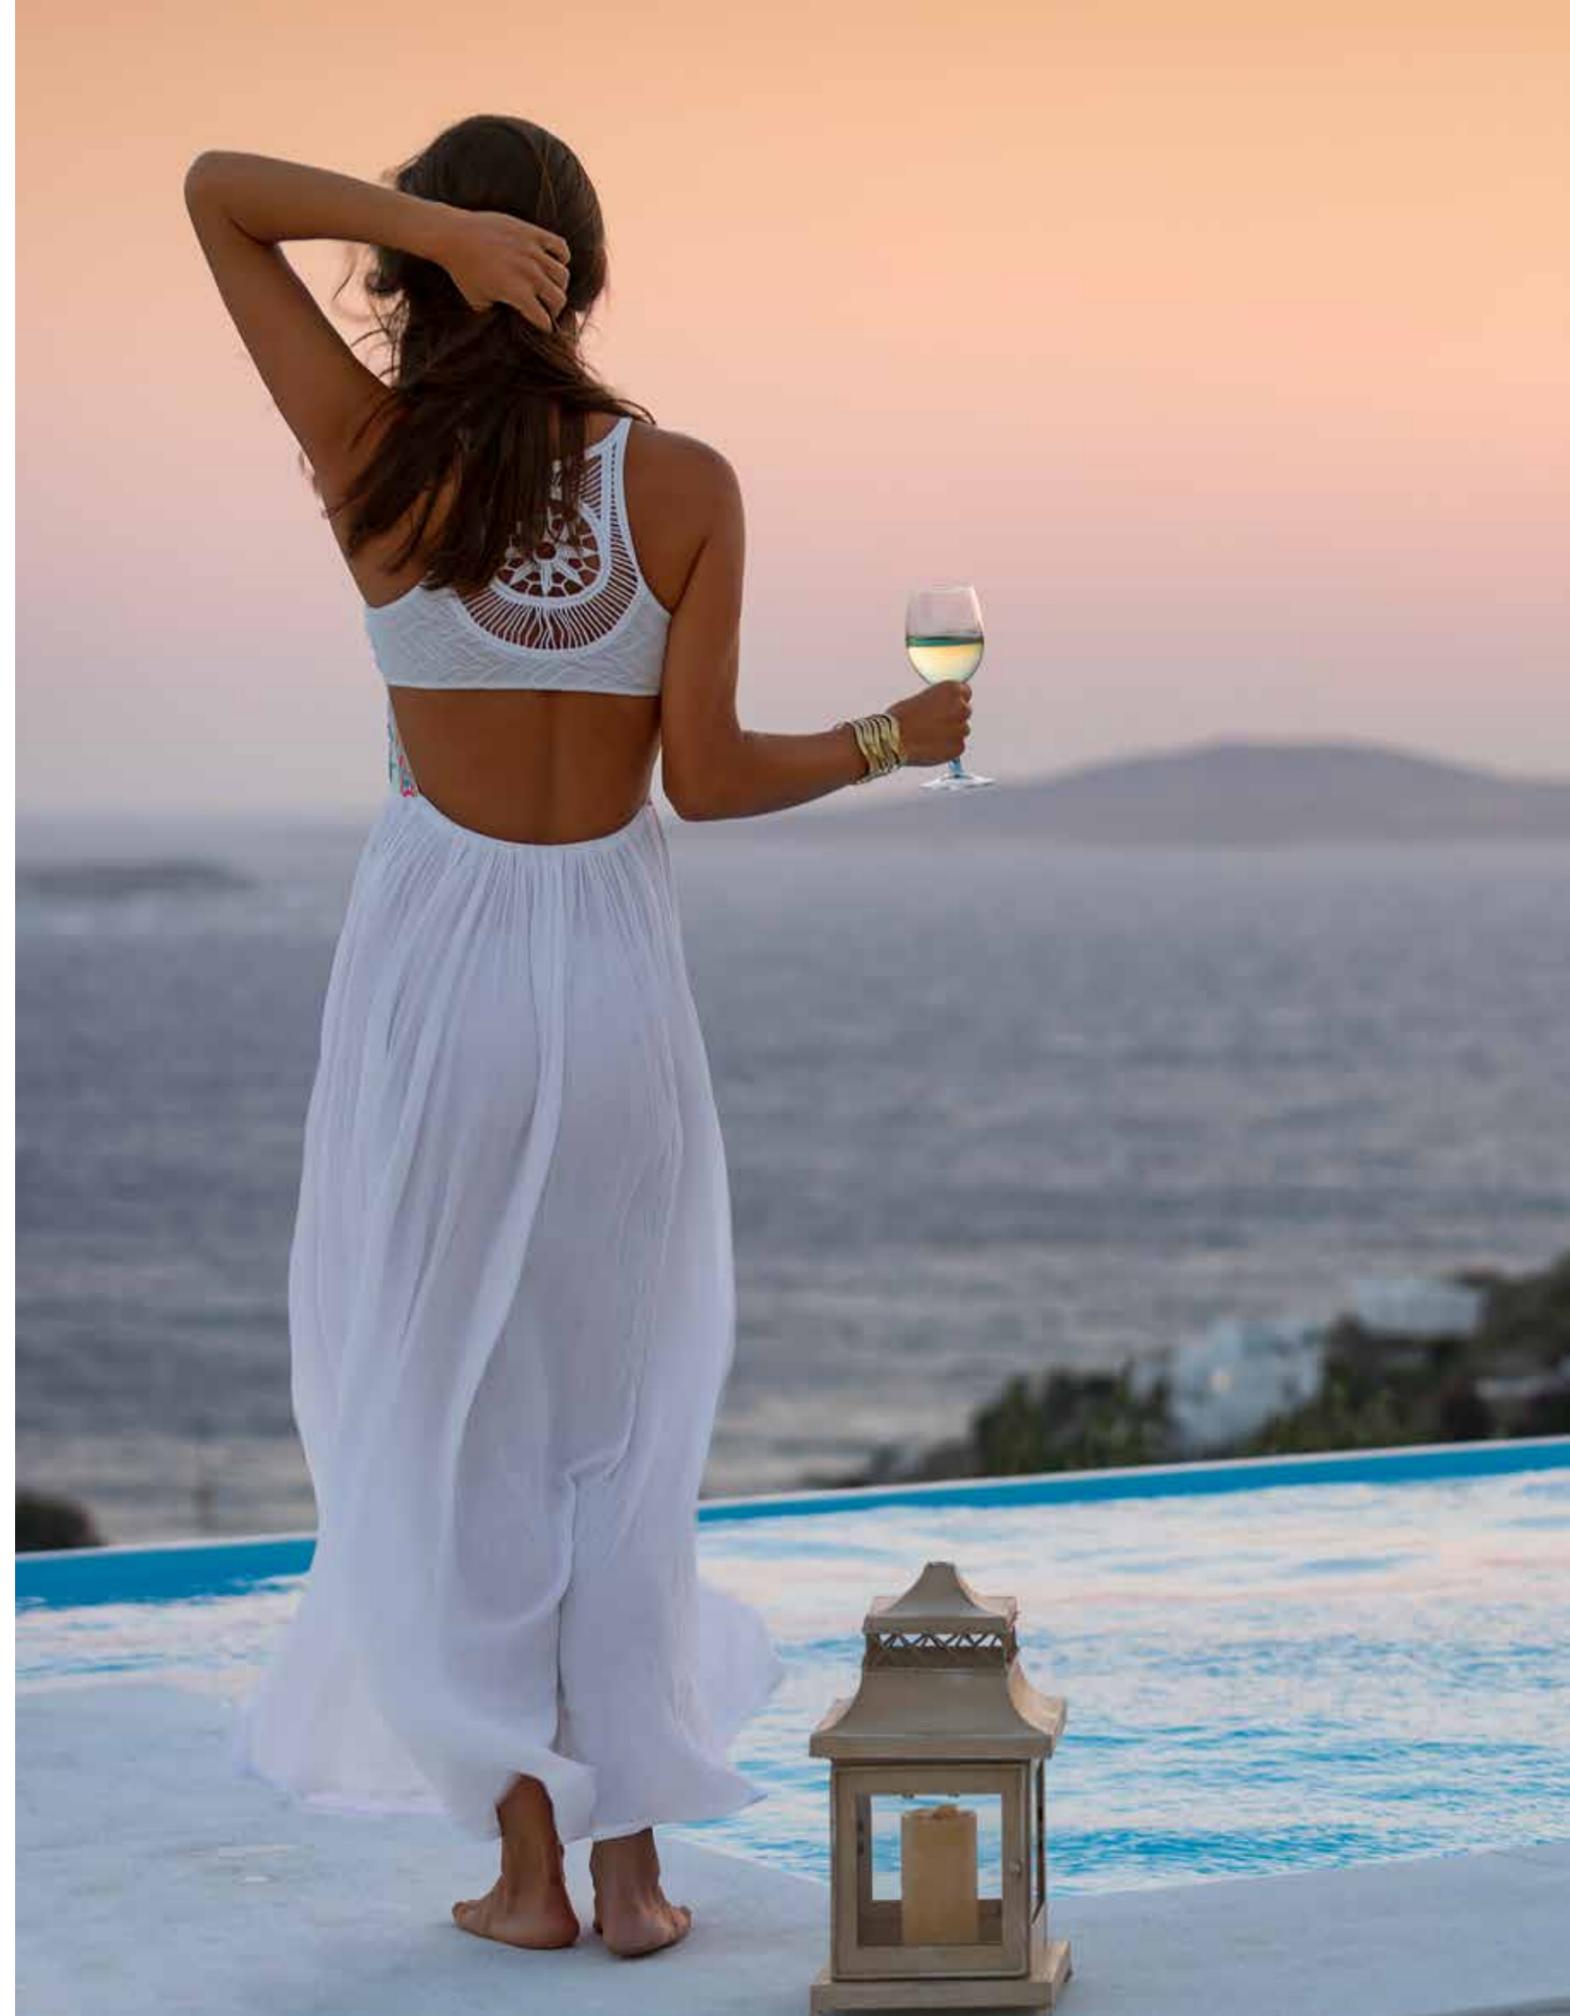

Do not fear- we won't put you on a bus full of 30-40 people! When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. N.B. Child and Baby Seats For Transfers- if required are at an extra cost and must be booked in advance.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, please note, it is within our right to deem a price of our competitor "not sensible", i.e. A price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than its costs.

FLUID PRICING AND USING THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. In this way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our Reservations Team on **020 8340 7612**, or visit our website www.cyplon.co.uk.

CYPRUS HOLIDAYS

Cyprus is our country and our speciality. In fact, we have been promoting Cyprus for over 40 years and are extremely proud to be considered as one of the most established tour operators to this small but charismatic island. Cyprus has that special something for everyone –from gorgeous beaches and cosmopolitan towns to its spectacular pine-clad mountains and time forgotten villages where the famous Cypriot hospitality can be at its best.

AT A GLANCE:

AIRPORTS:	Larnaca Airport (LCA) Paphos Airport (PFO)
AVERAGE FLIGHT TIME:	4 hours, 30 Minutes
AVERAGE WINTER TEMPERATURE:	24°C
TIME ZONE:	GMT+2
CURRENCY:	Euros
LANGUAGE:	Greek
POPULATION:	1,200,000

THINGS TO DO

Enjoy golf on any of the three championship courses, hiking and biking on many predefined trails, horse riding, bowls and a host of other sporting possibilities. This is also an excellent time to benefit from low-season rates and perhaps spend the savings by indulging in a little pampering at one of Cyprus' excellent health and beauty spas. Why not go diving off the coastline off the Akamas, near Latchi or visit one of the many traditional wine villages? Or even visit the beautiful Monasteries on the island and discover some Cypriot history.

ENTERTAINMENT IN CYPRUS

Cyprus night life is one of the best in world. Whether it be a traditional vibe you are after with Cypriot music and dancing, or a trendy nightclub, Cyprus is able to cater to all tastes. Paphos has its own dedicated Bar Street with a range of bars and restaurants, whilst Limassol offers the greatest range of places to go. Ayia Napa provides the liveliest night scene and is the place to be for any music lovers!

CYPRIOI CUISINE

Cypriot cuisine takes influence from a host of countries around the Mediterranean Sea resulting in a unique blend of tastes to suit every palette from the biggest meat-eaters to vegetarians. During your stay, we highly recommend taking a trip to one of the local tavernas to try either a meat or fish 'Meze'. These traditional Cypriot feasts usually include a large selection of up to 25 dishes with small helpings of varied foods, brought to the table as a progression of tastes and textures and representing incredible value for money. Other musts, include slow-cooked lamb "Kleftiko", a traditional potato/aubergine based dish called "Moussaka" and for the vegetarians "Yemista" – vegetables stuffed generously with a wonderful mixture of rice, pine nuts, sultanas, garlic, Parmesan cheese and much more tastiness! Cyprus also offers a wide range of international restaurants including Chinese, French, Italian and Japanese.

WHEN TO TRAVEL

Whilst some of our resorts provide an all year round holiday, please note that in some of our destinations there may be fewer facilities during the quieter periods of the year. When booking your holiday, please remember to mention any facility or attraction that is of importance to you so that our staff can quickly make the necessary checks for your period of travel.

WEATHER IN CYPRUS

Winter in Cyprus, has a climate rather like UK spring, and is a great time of year to partake in the many activities available on the island! Whilst swimming in the sea is still a possibility, the likelihood is you will be better off in one of our luxurious hotels' swimming pools – most of which are heated or if not, provide an indoor pool option. Having said that Cyprus boasts 56 Blue Flag Beaches and the weather very rarely dips below 20 degrees Celsius!

PAPHOS

Situated on the South West Coast of Cyprus, Paphos holds great appeal to visitors of all ages. Steeped in history, with a wealth of ancient sites, some dating back to 4th Century BC. The Island's capital in Roman times, and the legendary birth-place of Aphrodite, Goddess of Love and Beauty, Paphos retains its charm despite its popularity as a tourist resort.

APHRODITE HILLS

A coastal resort in the Paphos district of Cyprus, Aphrodite Hills is named after the Greek goddess Aphrodite. The resort is very close to Paphos and all the historical sites surrounding the area, such as Aphrodite's rock, believed to be where Aphrodite was born.

LARNACA

Situated on the south-eastern coast, home of the main international airport, Larnaca is one of the oldest continually inhabited cities in the world. Its trademark, the famous mile-long promenade lined with palm trees, is now a pedestrianised zone, which makes this area's open-air cafes, tavernas and restaurants even more attractive.

PROTARAS

Located in the north of Cape Greco and close to the principal town of the area, Paralimni, Protaras is just 15 minute's drive from Ayia Napa. A relaxed resort, ideal for families, couples and singles of all ages, Protaras, with its superb crystal clear waters and fine silver beaches provides an idyllic holiday setting.

PISSOURI

Pissouri is truly the most picturesque village in Cyprus. Set on a hill overlooking the beautiful greenery of vineyards and fields. Pissouri is centred exactly between Paphos and Limassol, it can be used as the ideal base to visit both towns.

LIMASSOL

A vibrant and popular seaside resort, famous for its Autumn Wine Festival, and Spring Carnival, Limassol is Cyprus' second largest town. An excellent choice of hotels and apartment blocks, many with their own beach, stretches right along the predominantly sandy coastline.

AYIA NAPA

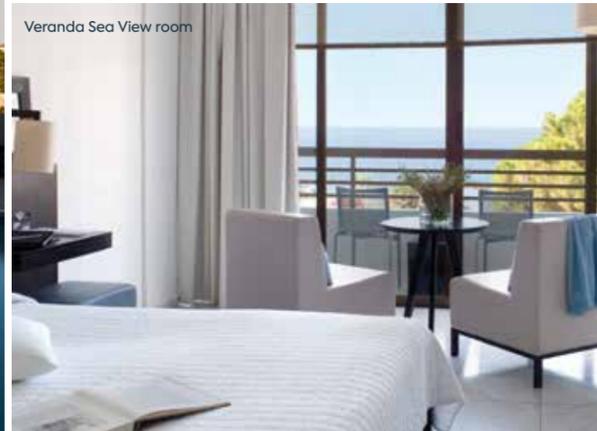

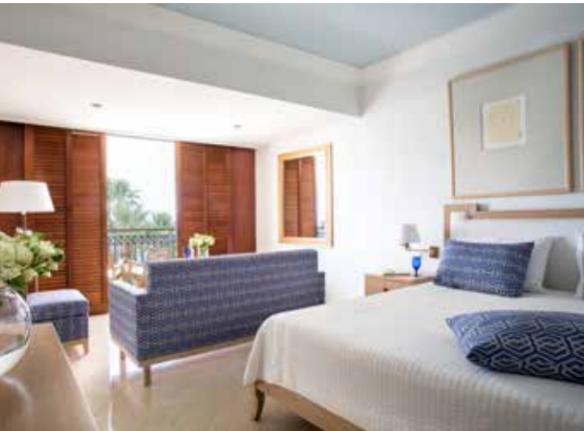

What was once a small fishing harbour resort surrounded by a few houses has fast become a popular resort, particularly with families and young people. Ayia Napa's shimmering clear blue waters and white sandy beaches provide an exceptional setting for beach lovers, and the resort offers plenty of exciting activities for families.

TROODOS MOUNTAINS

With the trend towards activity holidays away from beach-based breaks, holidays in the Troodos Mountains in the heart of the island are becoming more popular. The majestic range of mountains stretches across the centre of Cyprus, reaching up to 1952 metres at the Chionistra, the highest point of Mount Olympus.

MALTA & GOZO HOLIDAYS

The tiny archipelago nation of Malta oozes with charm and Mediterranean hospitality. Its rich history penetrates the ambiance and culture of each island, with venerable Latin fortresses standing watch in Valletta's Grand Harbour and Roman ruins peppered throughout the landscape. To top it all off, the islands are home to some of the best beaches and most awe-inspiring vistas in the world.

AT A GLANCE:

AIRPORTS:	Malta International Airport (MLA)
AVERAGE FLIGHT TIME:	3 hours
AVERAGE WINTER TEMPERATURE:	22°C
TIME ZONE:	GMT+2
CURRENCY:	Euros
LANGUAGE:	Maltese
POPULATION:	500,000

HISTORY AND CULTURE

Malta's illustrious history dates back to the first recorded inhabitants in 5200 BC. The archipelago's choice position in the Mediterranean along trade routes made it a prized possession throughout history. The culture of the islands is a mix of the colonists and conquerors that have called the island home. The Phoenicians settled in Malta in approximately the 7th century BC, and it is suspected that the eyes on the traditional luzzu fishing boat are relics from Phoenician boat painting tradition. Almost every empire in the region occupied Malta in its early years, and this influence is reflected in the Roman, Byzantine, Arab and Latin architecture packed in to this tiny country.

CLIMATE

Malta is tranquil all year round with stable temperatures that are just slightly cooler in the winter. Malta enjoys about twice the amount of sunshine per year as London and other European cities averaging about 300 days of sunshine a year. We'd recommend a dip in the sea on one of our holidays to Malta since the islands boast the highest average sea temperature in Europe at about 20°C.

THINGS TO DO

The Maltese islands are a gorgeous setting for activities of all sorts, from walking through the rugged countryside to diving in the Mediterranean Sea. If you'd rather take in the scenery at a more leisurely pace on our Malta holidays, hop on a Dghajsa for a tour around Valletta and the Grand Harbour. There is always something going on in the evening from the local festas to the ultra-hip nightclubs of Paceville. To help recuperate in the morning, simply unroll your towel on any of the island's golden coves and beaches, relaxing in the gentle Mediterranean breeze and letting the sun warm your skin.

THINGS TO SEE

Malta's archipelago is full to bursting with ancient cobbled alleyways and unforgettable landscapes. The capital city Valletta is a living museum and a UNESCO World Heritage site. Mdina is Malta's charming medieval jewel, also known as the "Silent City" for its hushed cobbled streets. Visit the mysterious Hypogeum of Hal-Safieni, the only known underground prehistoric temple in the world that is even older than the pyramids and Stonehenge.

ST JULIAN'S BAY

One of the most popular tourist destinations in Malta, St Julian's Bay plays host to some of the best hotels on the island. This coastal town is informally divided into 4 main sub-regions, Paceville, Ta' Ġorni, Tal-Ghoqod and St Andrew's. Paceville is known for being Malta's best nightspot.

MELLIEHA BAY

Mellieha is a small and quiet town located in the North of the island that has become popular with tourists due to the sandy beach of Mellieha Bay and the picturesque natural surroundings.

MDINA

Mdina, also referred to as Malta's "Silent City" and "Noble City", acted as the island's capital from antiquity until the Medieval period when Valletta took on the mantle, and can trace its history back around 4,000 years. It is also said that the Apostle St Paul took refuge in Mdina after being shipwrecked on the islands.

QAWRA

Qawra (pronounced "awra") is in the St Paul's region of Malta on the north-east coast of the island. It has become a popular tourist resort for both the summer and winter seasons, offering a fun and relaxed atmosphere with plenty of restaurants and bars to cater for all needs.

VALLETTA

Valletta is a magnificent fortress city and the administrative capital of Malta, built by the Knights of St John entirely by hand in the 16th century. This small city is a showcase of baroque architecture and is officially recognised as a UNESCO World Heritage Site.

SLIEMA

The town of Sliema is conveniently sandwiched in between 2 of Malta's most popular tourist destinations, the bustling St Julian's and Malta's remarkable capital, Valletta. What was once a quiet fishing village is now a laid-back centre for designer shopping, restaurants and cafés as well as a quality selection of 4 and 5 star hotels.

GOLDEN BAY

As its name suggests, the Golden Bay resort boasts one of the very few golden sandy beaches in Malta. The region itself is relatively secluded, however this takes nothing away from the natural beauty of the coast, cliffs and surrounding Il-Majjistral Nature and History Park.

GOZO ISLAND

Gozo is the second largest island in the Maltese archipelago (behind the island of Malta itself). Gozo is more rural and less built up compared to Malta and is very popular with visitors who want a peaceful holiday with natural beauty and tranquillity at the forefront.

CANARY ISLAND HOLIDAYS

A holiday to the Canary Islands is like an adventure to the farthest flung corner of the Spanish territories, but just a stone throw's away from North Western Africa's coastline; a real mix of cultures yet a cluster of islands offering seclusion, dreamy coastlines and a unique culture so you feel like it's a whole destination of its own. Gran Canaria, Tenerife, Lanzarote, Fuerteventura, La Palma and La Gomera; islands far from the rest of Spain's mainland and Balearics, they offer something a little bit different from the norm. For some, it's the paradisiacal beaches and 5 star luxury resorts that really draw them into the Canaries dream; for others, it's the dramatic volcanic landscapes and the promise of endless nature trails across the islands' stunning national parks that really makes it; but for most, it's simply not what they might expect from a Spanish destination.

AT A GLANCE:

AIRPORTS:	Tenerife Airport (TFS), Lanzarote Airport (ACE), Fuerteventura Airport (FUE) Grand Canaria Airport (LPA)
AVERAGE FLIGHT TIME:	2 hours, 30 Minutes
AVERAGE WINTER TEMPERATURE:	24°C
AVERAGE TRANSFER TIME:	45 Mins - 1 Hour

FAMILY HOLIDAYS

The Canaries makes a great family holiday destination because warm weather is almost always guaranteed and it's the perfect place for out of season travel or out of school term holidays. Not only do the islands promise a pleasing climate pretty much all year round, but there's so much diversity in the landscape, thus plenty to do both in and out of the water, either away from or close to the coast. Some of the best beaches to explore with kids include Puerto Rico Beach in Gran Canaria, Fanabe in Tenerife, La Guirra in Fuerteventura, Charco Verde in La Palma, and Las Cucharas Beach in Lanzarote.

CUISINE

Food on the Canary Islands is known as Canarian cuisine and is well known for its tasty tapas dishes, including the most famous dish of Tenerife, the Papas Arrugadas wrinkled potatoes. Other than the delicious tapas dishes available, the basis of Canarian cuisine is very much centred around fish, fresh vegetables and fresh fruit, with meat often being consumed in stews. Other typical dishes of the Canary Islands include slow cooked Caldereta (goat or lamb in sauce) and Sancocho Canario (salted fish served with Mojo Verde salsa). Must try desserts are Bienmesabe (a rum and honey cake) and Platanos Fritos (fried bananas).

HISTORY AND CULTURE

It is believed that the first inhabitants of the islands were the Gaunches in 1000 BC before European explorers came to explore the islands in the 1st Century AD. In the 15th Century, the Castilians started to colonize and over the course of the century, the islands would suffer numerous pirate attacks. By the 18th Century, the economy began to boom and by the 20th Century, the Canaries were granted autonomous rule within Spain. Today, the dialect spoken on the islands is similar to that in Southern Spain but there are also language influences from South America, as well as the Caribbean due to emigration back in the 18th and 19th Century.

TENERIFE

There are many reasons to visit Tenerife, simply because it's one of those islands that offer a little bit of everything. As the largest island of the Canaries, it's also the most popular and for anyone who can't decide between the seven main destinations of the archipelago, Tenerife can be the place to tick all of your boxes.

GRAN CANARIA

The Gran Canaria is one of Spain's stunning Canary Islands. With its unique location off the northwest coast of Africa, this island group can offer holidays like no other. The scenery is exquisite, boasting the most diverse landscape of the archipelago, you'll find everything from subtropical forests and lush green mountains to golden dunes and white sand coves.

FUERTEVENTURA

Fuerteventura is an island made for those who enjoy spending their day at the beach, relaxing and feeling the cool, gentle breeze. If you love sunbathing, unspoiled sea views and exciting water sports, this Canary Island is the ultimate destination for your next holiday. Located just off the west coast of Africa and as the second largest of the island archipelago,

LANZAROTE

Another traveller favourite, the island of Lanzarote is best known for its wild, arid landscape and unique volcanic topography. Other than its bizarre subtropical-desert climate and strange land formations of red, brown and golden hues, this destination is also loved by beach lovers and divers who revel in the crystal clear waters.

MOROCCO HOLIDAYS

Forming the north-west shoulder of the African continent, Morocco is a melting pot of Berber, Arabian and European cultures and influences. This exotic blend gives Morocco a truly unique identity with nowhere in the world quite like it. The diversity found within Morocco is astonishing, with the ever bustling city of Marrakech, beach side towns of Agadir and Essaouira, the expansive Sahara desert and the indomitable and breathtakingly beautiful Atlas Mountains, not to mention other historical and cultural highlights including Fès, Casablanca and Rabat.

HISTORY AND CULTURE

Moroccan culture is grounded with ancient Berber influence that spans at least 5000 years. As with many countries in the Mediterranean, Morocco experienced Phoenician, Carthaginian and Roman invaders throughout its early history prior to Muslim conquest in the late 7th century. Though intricate Arabic decorative features and architecture dominate the country, each of the countries and empires from Morocco's interwoven history exert palpable influence on Moroccan music, cuisine and culture. For example, French has remained Morocco's unofficial third language following its period as a French protectorate in the early 20th century.

MOROCCAN CUISINE

Moroccan food is lightly exotic and often hearty. The cuisine takes full advantage of fresh African and Mediterranean produce, as well as its Berber, Moorish and Arab influences. Local produce is combined elegantly with saffron-tinged couscous in tagines studded with cubes of braised lamb and flavoured with ras el hanout, a blend of the spice souk's best offerings. If you can get your hands on it while on one of our Morocco holidays, be sure to try pastille, a delicious and elaborate meat pie that piquantly combines sweet and salty flavours in crepe-like dough. While exploring the Medina, you will want to stop for a refreshing, sweet glass of mint tea. Be sure to pour the teapot as high as you dare for the ultimate bubbly brew.

THINGS TO DO

At the top of the list on one of our holidays in Morocco are the souks of Marrakech and Rabat. Browse and haggle for masterful handiwork including leather items and colourful kilims, the popular geometric Berber rugs. If you'd rather people-watch and window shop, enjoy a fresh orange juice or a sweet glass of mint tea in one of the local cafes and watch the world go by. Adventurous types can get the grime of the day scrubbed vigorously away in a traditional hammam, and those looking for a little more pampering can indulge in a relaxing aromatic rub down from the spa in their charming riad tucked away from the hustle and bustle. Sports enthusiasts will want to try kite-boarding or windsurfing in beautiful Essaouira or fishing off the coast of Agadir.

THINGS TO SEE

The famed medinas of Morocco are bustling hives of activity and aromas that must be experienced at least once. If you tire of haggling in Marrakech, visit the tranquil Majorelle Garden designed by Jacques Majorelle and Yves Saint Laurent. This exquisite subtropical garden punctuated by deep cobalt blue buildings and accents has been meticulously laid out and is the perfect place to spend a relaxed afternoon. Rabat's kasbah, though largely residential, is a lovely place to wander with whitewashed houses lining the narrow streets. The crescent-shaped Oualidia Lagoon is a serene paradise protected by a naturally formed breakwater and is perfect for relaxing and unwinding.

MARRAKECH

One of the most captivating cities not only in North Africa, but throughout the world, Marrakech lies close to the foot of the Majestic Atlas Mountains and just a few hours away from the Sahara desert. Marrakech makes for the ideal cultural city break, where you can relax in ultimate luxury or experience staying in an old Arabic mansion (Riad).

HIGH ATLAS MOUNTAINS

The High Atlas Mountains provide the perfect escape from the heat of Morocco and offer something truly unique to the selective traveller. Experience fresh mountain air, stunning views and a more peaceful way of life in this majestic mountain range.

AGADIR

Agadir, an ancient city was completely destroyed in an earthquake in 1960 and rebuilt 2km further south. It is located at the shores of the Atlantic Ocean, close to the Anti Atlas Mountains, and is the largest coastal resort in Morocco.

ESSAOUIRA

Essaouira is a small but up and coming tourist destination in Morocco. This is a perfect example of a late 18th century fortified town. Originally a small fishing village, Essaouira retains its fishing heritage and you can witness the spectacle of the fishing boats coming in to harbour at sunset, brimming with fish.

NILE CRUISES

Cruising from Luxor to Aswan and back again, you will have the chance to explore some of Egypt's most important sites, including the Valley of the Kings, Philae Temple, the Colossi of Memnon, Karnak Temple and the Aswan High Dam. All our Cruises include excursions and are based on full board, with meals provided – the only extra cost you need to allow for, is drinks. Online, you can find a sample seven night itinerary. Shorter itineraries of three and four nights are also available and extra excursions including the Luxor and Aswan Sound & Light Show and Abu Simbel can be pre-booked via our Reservations team.

HISTORY AND CULTURE

Egypt has a rich and tumultuous history with records dating back to about 3150 BC at the beginning of one of the greatest ancient civilisations in the world. Ancient Egypt stretched along the fertile Nile Valley and delta, and the great thinkers of the day invented many objects and techniques that we now take for granted including the door lock, one of the earliest forms of paper and of course construction techniques such as those used to create the colossal pyramids. In the many centuries between these wondrous creations and modern day, Egypt has experienced a whirlwind of dynasties, conquerors and cultural influences. Look closely during your visit for Hellenic, Roman, Byzantine, Ottoman, Arab and European influences still prevalent throughout the architecture and ambiance of the country

THINGS TO SEE

There is no limit to the number of fascinating places and world famous monuments to see in Egypt. At the top of the list are the pyramids of Giza and the Sphinx. The scale and stature of these man-made marvels never ceases to amaze. Visit Karnak to pore over the intricate hieroglyphs from one of mankind's earliest written languages carved along the circumference of 134 massive columns. The tombs and chambers in the Valley of the Kings are also decorated with intricate runes that indicate the somewhat-macabre funerary rituals of the time. The Egyptian Museum and its Royal Mummy Room is a must-see for those visiting Cairo. Of course Egypt is also home to breathtaking landscapes such as the Siwa Oasis and Red Sea coastline that offer great activities for outdoors aficionados.

LUXOR

No trip to Luxor would be complete without visiting the two most famous temples, located alongside the Nile. The awe-inspiring Temple of Karnak is one of the largest temple complexes still in existence, while the smaller Luxor Temple is home to many impressive monuments.

CAIRO

The bustling city of Cairo is a feast for the senses; a myriad of sights, sounds and smells where the ancient legacy of Egypt collides with modern life head on. Home to a wealth of iconic historical sites including the awe-inspiring Pyramids of Giza and the Sphinx, as well as temples, tombs, churches, mosques and museums, Cairo is a great place to start your Egyptian journey of discovery.

HURGHADA

Hurghada once was just a small fishing village, but in modern times it has blossomed into what we now call the Red Sea Riviera. With a wide variety of shops, vibrant bars and stylish clubs – you will be spoilt for choice! Divers from all around the world come to Hurghada and who could blame them: there are excellent dive packages, great food served on the boats and friendly staff.

SOMA BAY

Soma Bay is situated on a peninsula surrounded on 3 sides by clear waters and sandy beaches. It was purpose built for all inclusive holidays and is therefore a real hotspot for family holidays. Soma Bay can only be reached via a 7km long private road, therefore don't be surprised to find millionaires' yachts in the ports, as well as luxury boutiques.

SAHL HASHEESH

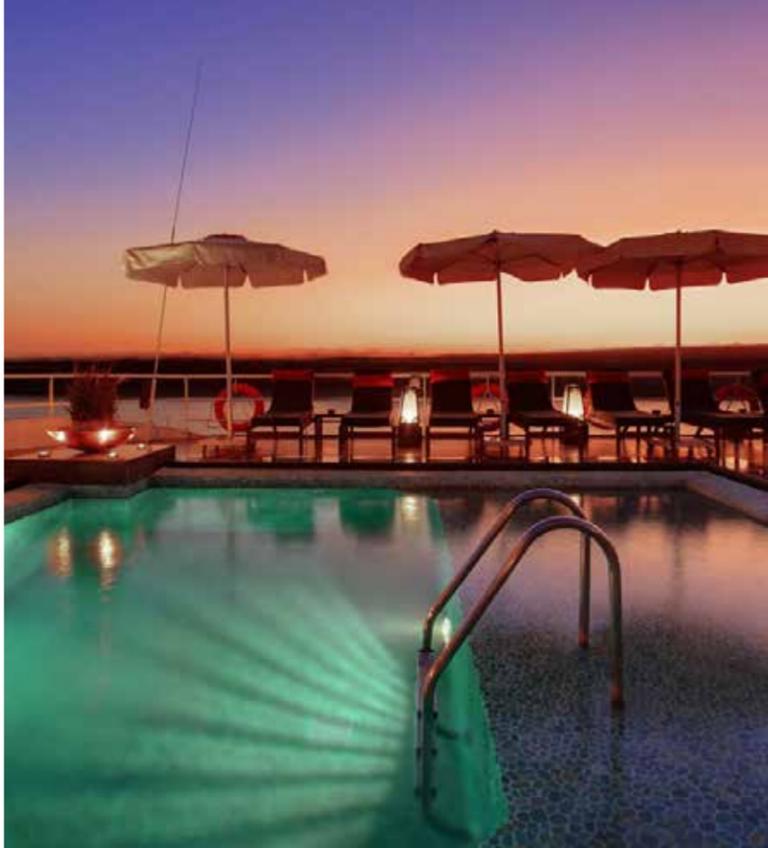

Sahl Hasheesh bay is surrounded by the mountains from the west and the clear waters from the east, and is an ideal holiday destination on the Egyptian Red Sea Coast. Sahl Hasheesh is a purpose-built and fully integrated luxurious resort. It's a home to brand new hotels, glorious gardens and private hotel beaches with golden sand.

EL GOUNA

El Gouna is a beachfront resort town built on a series of islands and lagoons on the Red Sea coast. The resort offers a high-end experience with excellent accommodations and sophisticated nightlife. The sun is always shining in El Gouna with few rain drops every six years.

ISRAELI CUISINE

As settlers came to Israel from all over the world, Israeli food is an eclectic mix of various food ideologies fused with Middle Eastern flair. Quality is the name of the game, and the fresh produce grown in Israel is some of the best in the world. Despite originating in Egypt, falafel has been perfected in Israel and can be found on almost every street corner. Other Middle Eastern inspired food that has been perfected in Israel include hummus, shwarma and shakshooka which is a concoction of tomatoes, onions, garlic, as well as crucial spices such as sweet paprika that is then topped off with a poached egg and soaked up by bread. For the best and cheapest way to experience this cuisine, visit the many food stalls dotted along the main street.

WEATHER IN ISRAEL

Given Israel's geographic location, the north and western coastal regions experience a Mediterranean climate, characterised by hot dry summers with highs of around 30°C and cooler winters with the possibility of some rainfall, mainly between December and February. The eastern and southern regions experience a more arid, typically Middle-Eastern climate, with very hot summers with temperatures reaching around 40°C and warm winters of around 20°C where any rainfall is negligible.

TEL AVIV

Tel Aviv is a unique and quite remarkable destination combining stunning beaches, culture and a cosmopolitan atmosphere which passes through this city due to its 24 hour buzz (Tel Aviv is known as "The City that Never Sleeps"), beachside nightlife, cosmopolitan shopping and cafe culture.

DEAD SEA

Yet another world renowned site that Israel has to offer. The Dead Sea is one of the world's first health resorts dating back to biblical times as the water is said to have great healing benefits due to its hyper-saline content, as well as the highly oxygenated air and the hotel spas in the area make full use of these elements in their spas.

JERUSALEM

Jerusalem is one of the oldest and most holy cities in the world. No one will ever forget a visit to Jerusalem, whether it is for a short city break, a cultural or religious trip or as part of a wider tour of Israel as the historical and religious sites are second to none and you will find people from all over the world marvelling at the city.

EILAT

Eilat is one of the original Red Sea resorts and makes full use of the stunning beaches at its doorstep and the warm all year round climate. The beaches here offer fantastic water sports and some of the best diving spots in the world. The city has many and varied restaurants suiting all tastes, a vibrant night life.

It's also attractive to the more laid-back traveller; Aqaba is an unspoilt yet thriving Red Sea resort, while the Dead Sea offers the ultimate pampering holiday, as well as historical interest. If you've visited Classical Egypt and seen the wondrous remains of the ancient Egyptian culture, you're bound to enjoy the incredibly impressive legacy left by both the Nabateans and the Romans in Jordan.

HISTORY OF JORDAN

The modern state of Jordan is relatively young, with it officially being recognized as the "Hashemite Kingdom of the Jordan" in 1946. However the history of the region that we today call Jordan is quite simply staggering. The region has played host to some of the earliest and most impressive human civilizations in history. The timeline of events through history is far too intricate to describe in just a few sentences but we can assure you that you will have a fascinating and enlightening journey discovering this rich history when you visit this land yourself. All the great civilizations of history including the Egyptians, Assyrians, Babylonians, Hittites, Greeks, Romans, Arabs, Turks and Crusaders all traded, built cities and fought wars here, leaving behind their indelible marks and influences. From this perspective, there really are not many places on earth more interesting than Jordan.

WEATHER IN JORDAN

Being in the heart of the Middle East and with 90% of the country covered by desert, the weather in Jordan can hit high and low extremes. During the summer months of June, July and August - in desert areas specifically - temperatures can soar as high as 40 degrees during the day, and fall as low as 4 degrees when the sun sets. Many people tend to prefer travelling during spring and autumn months when temperatures are a little less intense, and it is therefore advised to plan your trip accordingly.

JORDANIAN CUISINE

The best way to anyone's heart is through their stomach. Jordan has a huge range of food and mezes to try and sample. Whether it be passing by a food stall or having a traditional sit down Jordanian meal, you'll be sure to indulge yourself in the unique flavours and aromas. As Jordan is one of the largest producers of olives in the world, Jordanians always find a way to integrate this delicious, and some believe medicinal ingredient, into their authentic cooking. Along with the two main herbs Sumac and Za'atar, which are grown wild in Jordan, yoghurt is also a very popular ingredient and is included in their national dish Mansaf, which Jordanians believe is a dish symbolising generosity in their culture.

AMMAN

The capital of Jordan is both a modern, cosmopolitan centre - home to tree-lined streets of elegant houses, cafés and shops - and an ancient city, evidence of which can be found all around with the remains of Neolithic, Ammonite, Assyrian, Babylonian, Persian, Nabatean, Roman, Byzantine and Ottoman civilisations abounding.

PETRA

In 2007 Petra was voted one of the 7 New Wonders of the World, and a visit to this endlessly fascinating city quickly reveals why. The ancient metropolis combines architecture with panoramic views and great natural beauty, and exudes a captivating atmosphere of mystery.

DEAD SEA

The lowest point on earth is also one of the most unforgettable, offering visitors an utterly unique experience. Travellers have been journeying to the Dead Sea for many years and for many different reasons; to take advantage of the health benefits of the highly oxygenated air and nutrient-rich waters.

AQABA

Aqaba is a Red Sea resort like no other. As well as a peaceful, un-commercialised holiday resort with some excellent quality hotels and great water sports facilities, it is also Jordan's only port, with a bustling town centre full of life day and night, with many shops, restaurants and cafés frequented by locals as well as tourists.

UNITED ARAB EMIRATES HOLIDAYS

The United Arab Emirates, most commonly referred to as the UAE was founded in 1971 and consists of a federation of 7 Emirates (states); Dubai, Abu Dhabi, Ajman, Fujairah, Ras al-Khaimah, Sharjah, and Umm al-Quwain. The UAE is located in the east of the Arabian Peninsula and borders Oman and Saudi Arabia. The UAE's oil reserves are the seventh largest in the world and while the region's economy relies heavily on oil revenues, there has been significant investment in infrastructure, commerce and tourism, resulting in one of the most luxurious, glamorous and exclusive tourist destinations in the world.

AT A GLANCE:

AIRPORTS:	Abu Dhabi International Airport (AUH) Dubai International Airport (DXB)
AVERAGE FLIGHT TIME:	7 Hours (Approx.)
AVERAGE WINTER TEMPERATURE:	31°C
TIME ZONE:	GMT +4
CURRENCY:	UAE Dirham
LANGUAGE:	Arabic
POPULATION:	9,270,000

HISTORY OF THE U.A.E

The first known human settlement in the city dates all the way to back 3,000 BC but the real turning point for the UAE wasn't until oil was discovered around the 1950's. Prior to the first oil discoveries, the region of what is now known as the UAE thrived off the pearl trade and fishing. The pearl industry was in its prime for many years, with the first ever pearls from archaeological sites dating as far as 7,000 years. In 1962 oil was first exported and the fortunes of the region were changed indefinitely.

U.A.E CULTURE

Given the region's long history, the UAE has a rich cultural heritage that has been influenced heavily by its unique terrain comprising deserts, oasis, coastline and mountains. Prior to the regions modernisation, the harsh conditions meant that a resourcefulness and resilience was required to survive, which came through a tribal structure where family, respect, honour and a selfless hospitality, as well as Islam, were at the forefront of culture. These attributes are still strongly prevalent in today's Emirati culture. Whilst the UAE is considered to be the most liberal country on the Arabian Peninsula, social norms and customs should still be observed.

HISTORY OF OMAN

Because of Portuguese rule back in 1507, Oman's architecture is now a diverse mix of colonial, traditional and ultra-modern architecture. One minute you could be strolling along the colonial streets of Muscat and the next you could have the country's tallest skyscrapers towering over you as you shop. It was the Portuguese who transformed the future of Oman, giving the country great leverage in the spice trade; a profitable industry which led to the country's huge success in attracting European interest. Amongst the Portuguese colonial evidence, you will also find elements of British and Dutch influences from when Oman made a contract with the British and some Dutch investors to guarantee trading rights in Oman. This was not only an industrial move, but a political move to regain power from Portugal. By 1650, Imam Sultan Bin Saif managed to expel the Portuguese from the capital city of Muscat.

OMAN CULTURE

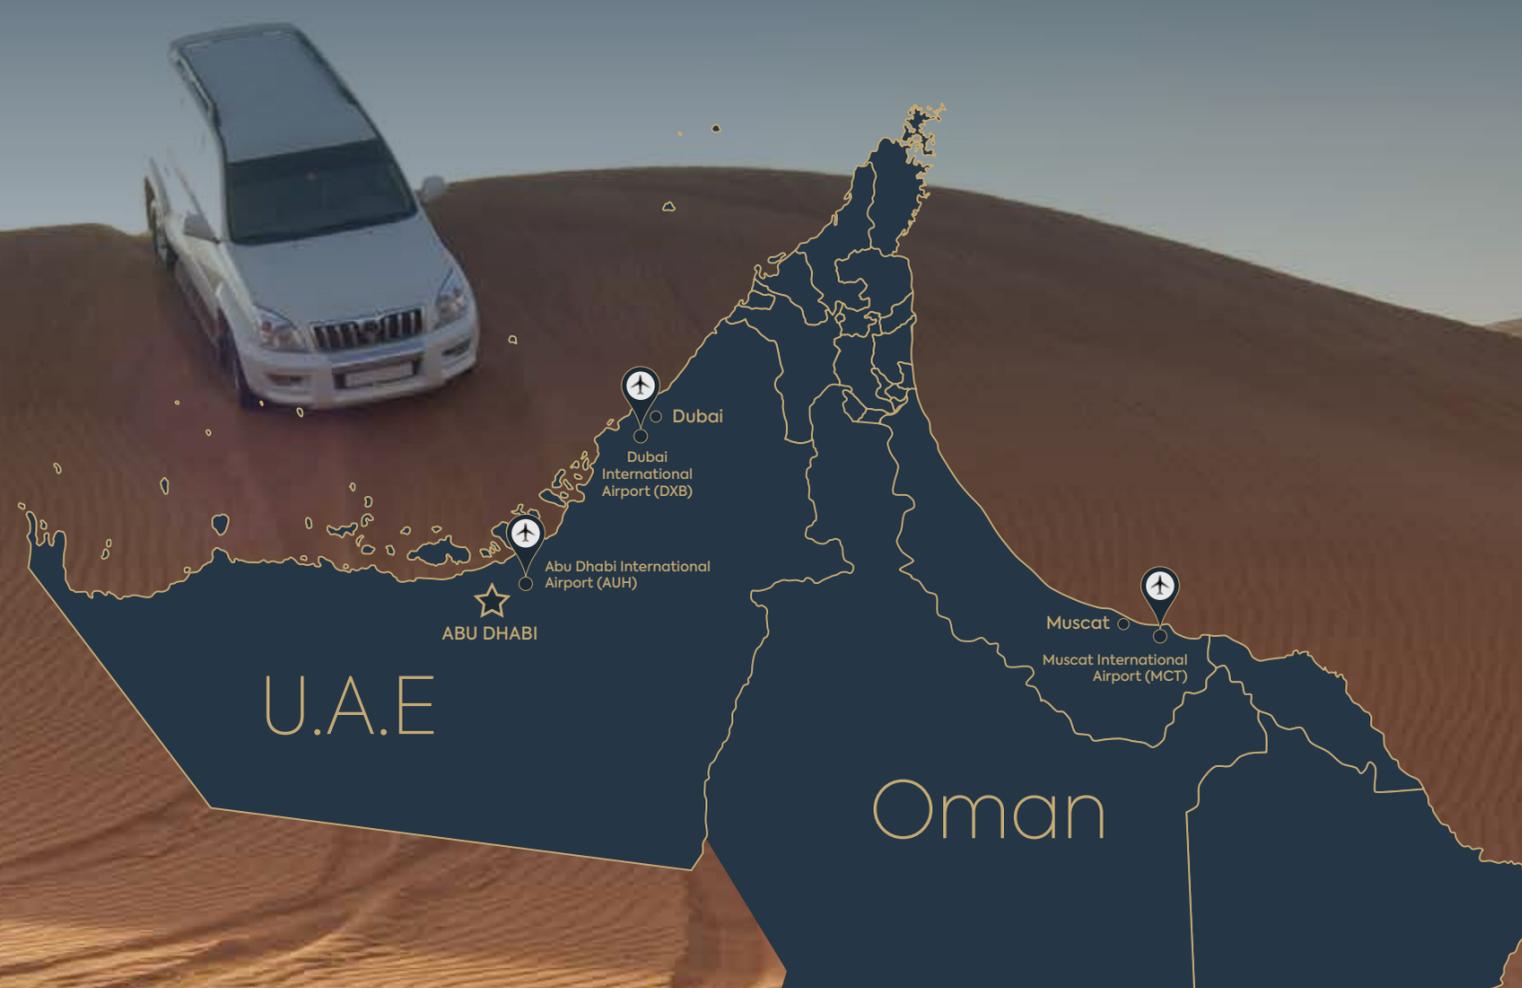

Oman's culture is heavily influenced by religion and the Omani people practice their own division and subset of Islam, which is known as Ibadhism. Visitors are expected to adhere to the country's strict rules and etiquette at all times; although strict, tourists will be met with a deep warmth and superb hospitality that will leave an indelible mark on you.

OMAN HOLIDAYS

Oman is probably one of the best kept secrets of the Middle East. Quite often overlooked for the dazzling cities of the United Arab Emirates, the wonderful country of Oman never quite gets the accolade it deserves. Officially the Sultanate of Oman, this spectacular Arab country sits on the Arabian Peninsula along the South Eastern coast, bordered by UAE and Saudi Arabia as its neighbours. This stunning destination rose to power between the 17th and 19th Century and features some of the most amazing Portuguese, British and even Dutch colonial architecture from Portuguese rule previously in the 16th Century.

TERMS & CONDITIONS

Your contractual agreement is with Cyplon Travel Limited. It has been structured, in the interest of fair trading, to safeguard your holiday arrangements.

1. YOUR HOLIDAY CONTRACT

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these booking conditions. A contract will exist as soon as we issue our confirmation invoice. This contract is made on the terms of these booking conditions, which are governed by English Law, and the jurisdiction of the English Courts.

2. YOUR FINANCIAL PROTECTION

We provide full financial protection for our package holidays, by way of our Air Travel Organiser's Licence number 0891. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, The Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

3. ABTA

We are a Member of ABTA, membership number V5573. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

4. YOUR HOLIDAY PRICE

The prices shown in our brochure are for guidance only. We have adopted a completely fluid method of pricing our holidays (i.e our prices may change second by second to reflect ever changing airfares, hotel rates etc.) Therefore, our prices will be more accurate. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed.

When you make a booking you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise and it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit. Changes in transportation costs, including the cost of fuel, taxes, duties or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However there will be no change within 30 days of your departure.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £100 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the invoice. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

When you buy a flight-based holiday, all monies you pay to the travel agent are held by the agent on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by him on our behalf at all times.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes, provided they refer to the same holiday season, but this may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible.

NOTE: Certain travel arrangements (e.g. Apex Tickets) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements.

6. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent on your behalf must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay the cancellation charges shown below.

NOTE: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

The above charges may differ for group bookings as well as special promotional offers and you will be advised at time of booking.

7. IF WE CHANGE OR CANCEL YOUR HOLIDAY

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time. **Changes** – If we make a major change to your holiday, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value), or cancelling your holiday and receiving a full refund of all monies paid. In some cases we will also pay compensation (see below). These options don't apply for minor changes. Examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change. **Cancellation** – We will not cancel your travel arrangements less than 10 weeks before your departure date, except for reasons of **force majeure** or failure by you to pay the final balance. We may cancel your holiday before this date if, e.g., The minimum number of clients required for a particular travel arrangement is not reached. If your holiday is cancelled you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). In some cases we will pay compensation. **Compensation** – If we cancel or make a major change we will pay compensation as detailed below except where the major change or cancellation arises due to reasons of **force majeure**. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Force Majeure We will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster, fire, adverse weather conditions, epidemics and pandemics, unavoidable technical problems with transport.

8. IF YOU HAVE A COMPLAINT

If you have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our resort representative immediately who will endeavour to put things right. If your complaint is not resolved locally, please follow this up within 28 days of your return home by sending an e-mail to our Customer Services Department at sales@cyplon.co.uk, giving your booking reference and all other relevant information. Please keep your letter concise and to the point. It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay and complete a report form whilst in resort. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. Please also see clause 3 above on ABTA.

9. OUR LIABILITY TO YOU

If the contract we have with you is not performed or is improperly performed by us or our suppliers we will pay you appropriate compensation if this has affected the enjoyment of your travel arrangements. However we will not be liable where any failure in the performance of the contract is due to you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

a) The contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract; and

b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions.

You can ask for copies of the transport companies' contractual terms, or the international conventions, from our offices at Cyplon Holidays, Cyplon House, 561-563 Green Lanes, London N8 0RL, telephone 020 8340 7612. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in clause 7. If any payments to you are due from us, any payment made to you by the airline will be deducted from this amount.

NB this clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

10. PROMPT ASSISTANCE IN RESORT

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

11. PASSPORT, VISA AND IMMIGRATION REQUIREMENTS

Your specific passport and visa requirements, and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

12. EXCURSIONS

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

13. DATA PROTECTION STATEMENT

In accordance with the General Data Protection Regulations, we have measures in place to protect the personal booking information held by us. This information will be passed on to the principal and to the relevant suppliers of your travel arrangements. The information may also be provided to public authorities such as customs or immigration if required by them, or as required by law. Certain information may also be passed on to security or credit checking companies. If you travel outside the European Economic Area, controls on data protection may not be as strong as the legal requirements in this country. We will only pass your information on to persons responsible for your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we will be unable to provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.) Our full Privacy Policy can be found on our website. www.cyplon.co.uk/cookies.phtml

14. PASSENGER CONDUCT

We reserve the right to refuse to accept you as a customer, or to continue dealing with you if your behaviour is disruptive or affects other holidaymakers, or is threatening or abusive towards our staff or agents in the UK or in resort, on the telephone, in writing or in person. In such circumstances no refunds or compensation will be paid to you. Civil or criminal proceedings may be instigated.
